*Jamaica* International Monetary Fund. Western Hemisphere Dept.,2013-12-27 This paper discusses Jamaica s Second Review Under the Extended Arrangement Under the Extended Fund Facility EFF and Request for Modification of Performance Criteria Program performance is on track despite the difficult economic environment All end September quantitative performance criteria and structural benchmarks were met The macroeconomic outlook and financing scenario remain broadly in line with earlier projections The authorities are pressing ahead with the next round of reforms including strengthening the fiscal policy framework and reforming the securities dealers sector Based on the performance to date and the authorities updated policy intentions and commitments IMF staff recommends completion of the second review under the EFF

*Polity and Crisis* Massimo Fichera,Sakari Hänninen,2016-04-22 European integration is an open ended ongoing process which has been deeply challenged by integral world capitalism This study explores the present EU foundational dilemma looking at the problematic relationship between the ideal model of integration and the reality of the 21st century Including contributions from leading theorists this volume explores the ways and extent to which the present European crisis could create a politico legal space for new possibilities and opportunities for action The authors discuss the current role of the EU and whether it aspires to be a democratic polity or a functional organization based on inter governmental bargaining The chapters question whether the future of European integration after the crisis will be paved by decisions which conflict with its Treaty basis and how it might come up with alternatives which would do more than echo the compulsions of the global market Issues are analysed from a historical perspective to see what can be learnt from its past and to explore the options for the future With contributions from prominent international legal and political scholars the book will be of interest to academics students and policy makers working in these areas

Accountability in the Economic and Monetary Union Menelaos Markakis,2020-04-02 Following the financial and public debt crisis the EU s Economic and Monetary Union EMU has been under intense political scrutiny The measures adopted in response to the crisis have granted additional powers to the EU and national authorities the exercise of which can have massive implications for the economies of the Member States financial institutions and of course citizens The following questions arise how can we hold accountable those institutions that are exercising power at the national and EU level What is the appropriate level type and degree of accountability and transparency that should be involved in the development of the EU s governance structures in the areas of fiscal and economic governance and the Banking Union What is the role of parliaments and courts in holding those institutions accountable for the exercise of their duties Is the revised EMU framework democratically legitimate How can we bridge the gap between the citizens and the institutions that represent them and those institutions that are making these important decisions in the field of economic and monetary policy This book principally examines the mechanisms for political and legal accountability in the EMU and the Banking Union It examines the

implications that the reforms of EU economic governance have had for the locus and strength of executive power in the Union as well as the role of parliaments and other political fora and courts in holding the institutions acting in this area accountable for the exercise of their tasks It further sets out several proposals regarding transparency accountability and legitimacy in the EMU [Special memorandum / London & Cambridge Economic Service](#) London and Cambridge Economic Service,1978 [Introduction to Market Access for Pharmaceuticals](#) Mondher Toumi,2017-01-12 Market access is the fourth hurdle in the drug development process and the primary driver for global income of any new drug Without a strategy in place for pricing showing value for effectiveness and an understanding of the target purchasers needs the drug will fail to reach its intended market value Introduction to Market Access for Pharmaceuticals is based on an accredited course in this area taken from the European Market Access University Diploma EMAUD and is affiliated with Aix Marseille University Key Features The first guide to market access for pharmaceuticals based on tested teaching materials Addresses both pharmaceutical and vaccine products Includes case studies and scenarios Covers market access considerations for Western Europe the USA Japan and China Explains the impact the changing healthcare market will have on your product [Federal Register Index](#) ,2010 **European Yearbook of International Economic Law 2015** Christoph Herrmann,Markus Krajewski,Jörg Philipp Terhechte,2015-07-04 This sixth volume 2015 of the European Yearbook of International Economic Law puts a particular emphasis on non tariff barriers NTBs to trade and the world trade order With the steady reduction of tariff rates since the GATT 47 came into force focus in recent years has been on the vast and complex landscape of non tariff barriers to trade States as well as scholars seemingly struggle with the multitude of measures pooled under this expression as there is no single acknowledged definition of the term and its relation to the term non tariff measures remains equally blurred Particularly in practice and on a multilateral level there appears to be some awkwardness when it comes to coping with NTBs since multilateral trade rules seem to be in conflict with national regulatory autonomy in the pursuit of policy objectives In part one this volume sheds light on the problems of non tariff barriers to trade that arise in various fields Part two focuses on regional integration with an emphasis on relations between East Asia and the European Union In this regard the authors outline the trade and investment relations between the European Union and East Asia including Japan Korea and Singapore Part three offers an overview of recent institutional developments in WIPO ICSID WTO and WTO jurisprudence Part four includes book reviews of recent works in the field of international economic law and part five introduces a new section on publications in the field of international economic law that were released in 2013 and 2014 [The United States Government Manual 2013](#) Office of the Federal Register (U S ),Office of the Federal Register (U.S.) Staff,2013-10-19 NOTE NO FURTHER DISCOUNTS ON THIS ITEM OVERSTOCK SALE Significantly reduced list price while supplies last The US Government Manual is known as the Official handbook of the Federal Government This annual resource provides comprehensive information on the agencies of the legislative judicial and executive branches as well as quasi official
