Memorandum Of 2014 Business Paper Term Grade 12:

Counter-Recruitment and the Campaign to Demilitarize Public Schools Scott Harding, Seth Kershner, 2016-04-29

This book describes the various tactics used in counter recruitment drawing from the words of activists and case studies of successful organizing and advocacy The United States is one of the only developed countries to allow a military presence in public schools including an active role for military recruiters In order to enlist 250 000 new recruits every year the US military must market itself to youth by integrating itself into schools through programs such as JROTC Junior Reserve Officers Training Corps and spend billions of dollars annually on recruitment activities This militarization of educational space has spawned a little noticed grassroots resistance the small but sophisticated counter recruitment movement Counter recruiters visit schools to challenge recruiters messages with information on non military career options activists work to make it harder for the military to operate in public schools they conduct lobbying campaigns for policies that protect students private information from military recruiters and counter recruiters mentor youth to become involved in these activities While attracting little attention counter recruitment has nonetheless been described as the military recruiter s greatest obstacle by a Marine Corps official

Handbook on Hybrid Organisations David Billis, Colin Rochester, 2020-02-28 Hybrid Organisations that integrate competing organisational principles have become a preferred means of tackling the complexity of today s societal problems One familiar set of examples are organisations that combine significant features from market public and third sector organisations Many different groundbreaking approaches to hybridity are contained in this Handbook which brings together a collection of empirical studies from an international body of scholars The chapters analyse and theorise the position of hybrid organisations and have important implications for theory practice and policy in a context of proliferating hybrid forms of organisation
