Kilmartin Raymond Walker, 2014-11-05 Finally A full compendium of my Kilmartin tales all consigned to the same volume It is unlikely that I shall write of the place again Not because I do not wish to nor because I feel that people are bored with those tales but rather just because I am growing older and have so much more to write about I suspect I will get through only a fraction of the ideas that I have before I pop my clogs and so here you have all The three Kilmartin novels all together in one volume I also have added A long introduction to the stories for those that are interested and a new horror story as an introduction to them to tell fictionally how I came to Kilmartin in the first place Actually the rather long and rather dull Introduction tells the same tale with truth Nestled in a quiet Glen on the west coast of Scotland lies the ancient village of Kilmartin

Right on Cue Falon Ballard, 2024-02-27 From the beloved author of Just My Type and Lease on Love comes a new romantic comedy in which a former actress turned screenwriter finds herself back in the spotlight only for her romantic lead to be the one man she can't stand Emmy Harper is no stranger to Hollywood having penned some of the most popular movies of the past few years But her latest project has hit a standstill unable to find the perfect leading lady Emmy's been recruited to take on the role herself dusting off acting skills she hasn't used in over a decade Things take a turn for the worse when she's left with the one costar she can't trust Grayson West A blockbuster action hero known for his megawatt smile and impossible abs Grayson is anyone's dream of a romantic lead Too bad Emmy still blames him for her disastrous first movie and the early end to her acting career The friction between the two risks tanking the movie and no one knows if it's lingering awkwardness from their youth or unresolved sexual tension But if they want to save the production and their own
