Charles Robert Maturin, His Life and Works Niilo Idman, 1923 **Melmoth the wanderer, by the author of 'Bertram'. By C.R. Maturin** Charles Robert Maturin, 1892 **Melmoth the Wanderer (Complete)** Charles Robert Maturin, 2020-09-28 The beauty of the country through which he travelled it was the county Wicklow could not prevent his mind from dwelling on many painful thoughts some borrowed from the past and more from the future His uncle s caprice and moroseness the strange reports concerning the cause of the secluded life he had led for many

years his own dependent state fell like blows fast and heavy on his mind He roused himself to repel them sat up in the mail in which he was a solitary passenger looked out on the prospect consulted his watch then he thought they receded for a moment but there was nothing to fill their place and he was forced to invite them back for company When the mind is thus active in calling over invaders no wonder the conquest is soon completed As the carriage drew near the Lodge the name of old Melmoth's seat John's heart grew heavier every moment The recollection of this awful uncle from infancy when he was never permitted to approach him without innumerable lectures not to be troublesome not to go too near his uncle not to ask him any questions on no account to disturb the inviolable arrangement of his snuff box hand bell and spectacles nor to suffer the glittering of the gold headed cane to tempt him to the mortal sin of handling it and finally to pilot himself aright through his perilous course in and out of the apartment without striking against the piles of books globes old newspapers wig blocks tobacco pipes and snuff cannisters not to mention certain hidden rocks of rat traps and mouldy books beneath the chairs together with the final reverential bow at the door which was to be closed with cautious gentleness and the stairs to be descended as if he were shod with felt This recollection was carried on to his school boy years when at Christmas and Easter the ragged poney the jest of the school was dispatched to bring the reluctant visitor to the Lodge where his pastime was to sit vis a vis to his uncle without speaking or moving till the pair resembled Don Raymond and the ghost of Beatrice in the Monk then watching him as he picked the bones of lean mutton out of his mess of weak broth the latter of which he handed to his nephew with a needless caution not to take more than he liked then hurried to bed by day light even in winter to save the expence of an inch of candle where he lay awake and restless from hunger till his uncle's retiring at eight o'clock gave signal to the governante of the meagre household to steal up to him with some fragments of her own scanty meal administering between every mouthful a whispered caution not to tell his uncle Then his college life passed in an attic in the second square uncheered by an invitation to the country the gloomy summer wasted in walking up and down the deserted streets as his uncle would not defray the expences of his journey the only intimation of his existence received in quarterly epistles containing with the scanty but punctual remittance complaints of the expences of his education cautions against extravagance and lamentations for the failure of tenants and the fall of the value of lands All these recollections came over him and along with them the remembrance of that last scene where his dependence on his uncle was impressed on him by the dying lips of his father
