**Chemical Control** Michael Crowley,2016-01-26 This thoroughly researched study highlights the international community s failure to regulate contemporary state research development marketing and or deployment of riot control agents and incapacitating chemical agent weapons **Women in Wildlife Science** Carol L. Chambers,Kerry L. Nicholson,2022-11 This practical guide an edited volume discusses the important topic of fostering diversity in wildlife conservation and management **The One Percent Solution** Gordon Lafer,2017-04-04 In the aftermath of the 2010 Citizens United decision it s become commonplace to note the growing political dominance of a small segment of the economic elite But what exactly are those members of the elite doing with their newfound influence The One Percent Solution provides an answer to this question for the first time Gordon Lafer s book is a comprehensive account of legislation promoted by the nation s biggest corporate lobbies across all fifty state legislatures and encompassing a wide range of labor and economic policies In an era of growing economic insecurity it turns out that one of the main reasons life is becoming harder for American workers is a relentless and concerted offensive by the country s best funded and most powerful political forces corporate lobbies empowered by the Supreme Court to influence legislative outcomes with an endless supply of cash These actors have successfully championed hundreds of new laws that lower wages eliminate paid sick leave undo the right to sue over job discrimination and cut essential public services Lafer shows how corporate strategies have been shaped by twenty first century conditions including globalization economic decline and the populism reflected in both the Trump and Sanders campaigns of 2016 Perhaps most important Lafer shows that the corporate legislative agenda has come to endanger the scope of democracy itself For anyone who wants to know what to expect from corporate backed Republican leadership in Washington D C there is no better guide than this record of what the same set of actors has been doing in the state legislatures under its control **12 Ignored Truths When Picking a Life Partner** B.A. Crisostomo,2023-05-02 Why Rush Into Marriage If love and attraction are all you need for a happy and long lasting marriage why do so many great relationships end in a breakup Why is cohabitation becoming more common while marriages are becoming less common In the past our ancestors usually didn t get married because they loved each other Instead they did it to join families and raise children together Their marriages were usually set up by their parents and they would start with a betrothal They lacked the same benefits rights and systems that modern spouses in many countries enjoy Can we say that the relationships between modern couples are better than those of our ancestors given that mutual love is the main reason people get married today This book talks about the truths most would be couples ignore before they decide on their own to get married Once their marriage becomes miserable they start to realize that they made mistakes in their choice of partner **Putin's Labor Dilemma** Stephen Crowley,2021-07-15 In Putin s Labor Dilemma Stephen Crowley investigates how the fear of labor protest has inhibited substantial economic transformation in Russia Putin boasts he has the backing of workers in the country s

industrial heartland but as economic growth slows in Russia reviving the economy will require restructuring the country's industrial landscape At the same time doing so threatens to generate protest and instability from a key regime constituency However continuing to prop up Russia's Soviet era workplaces writes Crowley could lead to declining wages and economic stagnation threatening protest and instability Crowley explores the dynamics of a Russian labor market that generally avoids mass unemployment the potentially explosive role of Russia's monotowns conflicts generated by massive downsizing in Russia's Detroit Tol'yatti and the rapid politicization of the truck drivers movement Labor protests currently show little sign of threatening Putin's hold on power but the manner in which they are being conducted point to substantial chronic problems that will be difficult to resolve Putin's Labor Dilemma demonstrates that the Russian economy must either find new sources of economic growth or face stagnation Either scenario market reforms or economic stagnation raises the possibility even probability of destabilizing social unrest

*The Budget of the United States Government* United States,2016

*The Nonsense Factory* Bruce Cannon Gibney,2019-05-14 A withering and witty examination of how the American legal system burdened by complexity and untrammelled growth fails Americans and threatens the rule of law itself by the acclaimed author of *A Generation of Sociopaths* Our trial courts conduct hardly any trials our correctional systems do not correct and the rise of mandated arbitration has ushered in a shadowy system of privatized justice Meanwhile our legislators can't even follow their own rules for making rules while the rule of law mutates into a perpetual state of emergency The legal system is becoming an incomprehensible farce How did this happen In *The Nonsense Factory* Bruce Cannon Gibney shows that over the past seventy years the legal system has dangerously confused quantity with quality and might with legitimacy As the law bloats into chaos it staggers on only by excusing itself from the very commands it insists that we obey leaving Americans at the mercy of arbitrary power By examining the system as a whole Gibney shows that the tragedies often portrayed as isolated mistakes or the work of bad actors police misconduct prosecutorial overreach and the outrages of imperial presidencies are really the inevitable consequences of law's descent into lawlessness The first book to deliver a lucid comprehensive overview of the entire legal system from the grandeur of Constitutional theory to the squalid workings of Congress *The Nonsense Factory* provides a deeply researched and witty examination of America's state of legal absurdity concluding with sensible options for reform
