Dance and Dancers, 1985 **International Dictionary of Ballet: L-Z** Lorraine Nicholas, 1993 Arranged alphabetically from Adolphe Adam to Jiri Kylian this reference includes entries on individual artists individual ballets and on ballet companies *Ainsi danse Zarathoustra* Maurice Béjart, Michel Robert, 2006 Contient la liste non exhaustive des ballets de Maurice Béjart p 179 204 **Ballet dans le monde** Serge Lido, 1977 **Observer of the Dance, 1958-1982** Alexander Bland, 1985 Alexander Bland the pseudonym of the husband and wife Nigel Gosling and Maude Lloyd was a master distiller in a few perfectly chosen words he could scan the breadth or depth of a performance in such a way that the reader would feel yes that's exactly what it was like As Rudolf Nureyev says in his foreword to this book His ability to put the essential concept of a work into words was amazing He made everything fall into place To be brief and succinct was crucial for The Observer of which Bland was dance critic from 1955 to 1982 allowed only a short column for dance reviews considering it a minority interest But such was Alexander Bland's skill that often by using a particularly telling metaphor he could convey the image of a piece as well as give an enlightening account of its components in the small space allotted to him Richard Buckle from whom he took over as dance critic recalls one description of the Royal Ballet The company presents a seamless closely woven texture reminiscent of fine linen a unanimity of purpose reminiscent of purpose like that which steers a flock of wheeling birds It was this kind of elegant yet totally accessible writing that became the hallmark of Alexander Bland's articles One of the most assiduous of dance critics he reported regularly on dance for nearly 30 years In this way although there are reports from all over Europe and America this book is the story of British ballet over that momentous period But it is of course far more than that Over the years his readers came to expect neither obvious jokes nor provocative declarations but a penetrating often profound truth lightly disguised with a sparkling and delicate wit Alexander Bland felt

that his job was firstly to give an account of what he had seen but secondly and more importantly to keep his readers paying attention to the works he was discussing and he succeeded brilliantly on both counts This book is an engrossing and delightful read from start to finish Le Point ,1980 **Index to Dance Periodicals** ,1993 *The World's Great Ballets* John Gruen,1981 A brief introduction to ballet history leads to the heart of the book the descriptions of the ballets For each the scene is first set the circumstances of its creation the personalities involved sometimes including intriguing backstage glimpses its critical reception and an analysis of its style Presented next is simply what one sees on stage at a performance So successfully recreated is the experience of viewing the ballet that the effect is second only to attending an actual performance Book jacket **Dance Now** ,1995 **Bulletin critique du livre français** ,1997 Universalia ,1994
