JOSEPH AND HIS BROTHERS IN EGYPT

Remember how Joseph interpreted the dreams of the Pharaoh? He said there would be seven years of plenty and seven years of famine. When the famine came, there was no food across the land. Joseph's Father, Jacob, told his sons to go to Egypt and buy food. So, his brothers went to Egypt and came before the man over the food (who happens to be Joseph). His brothers did not recognize him, and he spoke to them through an interpreter (even though he knew their language). He ended up throwing his brothers in jail, and when he released them, he gave them grain and their money back, but he kept one brother and told them to go home and bring back their baby brother, which they did. When they came back with Benjamin, Joseph told them who he was. He told his brothers to go home and bring back their Father. So, they went home and brought back all of Jacob's Family. Some of them went before the Pharaoh, and he gave them land and told Joseph they would be taken care of in Egypt. The Family thrived in Egypt. Joseph was able to forgive his brothers for selling him to the Egyptians. He could see God's plan for his life and how it would be greater than any of his family could have imagined. You can read more about this story in Genesis, chapters 43-50.
