**Josie and Rebecca** B. L. Miller, Vada Foster, 2000-01-01 This is an epic western saga with all the elements familiar to that genre At the center of this story are two women one a deadly gunslinger bitter from the injustices in her past the other a gentle dreamer trying to escape the horrors of the present Their destinies come together one fateful afternoon when the feared outlaw makes the choice to rescue a young woman in trouble For her part Josie Hunter considers the brief encounter at an end once the girl is safe but Rebecca Cameron has other ideas Enthralled by the enigmatic figure of the legendary bandit and desperate to escape a life that is quickly crushing her spirit Rebecca decides to follow her rescuer much to the older woman's chagrin At first the relationship is difficult but it slowly begins to grow and change and deepen and in time they discover that they want to share their hearts It is a beautiful passionate love story that pulls the reader into their drama as they discover the growing intensity between them *Novel Approaches to Lesbian History* Linda Garber, 2022-01-01

*Novel Approaches to Lesbian History* tells a tale about history and community in our allegedly post identity era examining contemporary novels that depict lesbian characters in recognizable historical situations These imaginative stories provide a politically vital speculative past in the face of a sketchy problematic archive Among the memorable characters in some 200 novels are pirates cowgirls and famous artists ghosts and time travellers immigrants and lovers The best lesbian historical novels are conscientious and buoyant as they engage critical historiographical questions but *Novel Approaches* also discusses the class and race biases that weigh on the genre Some lesbian historical novels are based on archival evidence others on conjecture or fantasy but all convey the true fact that identity is elusive without a past without which its future is nearly impossible **Graceful Waters** Verda Foster, B. L. Miller, 2004-09 When tough instructor Joanna Carey meets angry and disillusioned Grace Waters neither is prepared for what comes next Grace meets her match in Carey the strong and disciplined woman who's determined to help Grace help herself

**Gay and Lesbian Historical Fiction** N. Jones, 2007-05-28 The first extensive study of gay and lesbian historical fiction this book demonstrates how the highly popular sub genre helps us understand gay and lesbian history It shows not only why the sub genre should be taken more seriously by historians but also how it implicitly works to ameliorate divisions between Christianity and homosexuality *The Publishers Weekly*, 2001 *Books In Print* 2004-2005 Ed Bowker Staff, Staff Bowker, Ed, 2004
