

## Journal of the International Academy for Case Studies

### ABOUT

The journal aims to provide a comprehensive overview of the business and management by including all the key areas within the field of business administration including human resource management, business economics, laws & ethics, corporate social responsibility, finance, accounting, marketing etc.

Sponsored by the international academy for case studies, the journal enjoys the rare distinction of offering exclusive cases with instructor's notes, on subjects, which can be used for class room discussion in business schools.

The journal thus encourages authors to contribute case studies on subject areas including but not limited to: management, marketing, leadership, international business, public administration, finance and accounts, organizational behavior, entrepreneurial ecosystems in developing economies, the evolution of banking system, banking case studies - money laundering, anatomy of a scandal, lessons from the financial crisis, retail banking, great recession, monetary policy, quality and safety attributes, business laws, corporate social responsibility, training & development, six-sigma projects, strategic investment, evaluating financial and social returns for investors, game-changing technologies, asset allocation principles, e-feedback, creative promotions, ethics cases, minority enterprises, unfair labor practices, tax exemption, technology integration, gaming and economic development, corporate culture, gender discrimination at work places, and accounting information systems.
