**Durrani: Two Paths Ahead** Shiraz Durrani,2023-05-04 The struggle between socialism and capitalism in Kenya has been long bitter and violent Capitalism won with the active support of USA and UK governments at the time of independence in 1963 Yet the original 1960 Kenya African National Union KANU Party was in favour of socialism It was Presidents Jomo Kenyatta and Daniel Arap Moi who used violence to suppress those advocating socialism They used their power to massacre assassinate exile imprison and disappear people and created a state of terror to silence their opponents Capitalism became the unstated state policy Thus imperialism won and the aims of Mau Mau were brutally suppressed However the desire for socialism never died Resistance movements and opposition parties made socialism their aim reflecting peoples desire for justice equality and empowerment Many studies on Kenya focus on personalities or tribes or race as driver of events ignoring the all important class and ideological positions of leaders and their Parties Two Paths Ahead reproduces and comments on the documents from the opposing sides in the battles between capitalism and socialism the original Kenya African National Union KANU its successor KANU B and the Kenya Peoples Union KPU on economy land labour and social policy It also touches upon the demands of the organisers of the 1982 Coup

and traces the political stand of key leaders as proponents of capitalism or socialism The final section reproduces some of the documents on this ideological struggle The book exposes the hidden hand of imperialism in the countrys rush to capitalism It fills a gap in understanding the real contradictions that divide Kenya to this day     *Teachers, Teacher Education, and Training* Keith Watson,Celia Modgil,Sohan Modgil,1997 One of a series of four high level debates on major educational issues this book concerns the controversies about the role of the teacher and the place and content of teacher preparation
