MUSICIENS ET PHILOSOPHES : Tolstoï, Schopenhauer, Nietzsche, Richard Wagner Maurice Kufferath, Richard Wagner, 1899 *Musiciens et philosophes, Tolstoï--Schopenhauer--Nietzsche--Richard Wagner* Maurice Kufferath, 1899

The Case Of Wagner (□□□□□) Friedrich Nietzsche, 2011-04-15 *The Case of Wagner, Nietzsche Contra Wagner and Selected Aphorisms* Friedrich Wilhelm Nietzsche, Nietzsche wrote the rough draft of The Case of Wagner in Turin during the month of May 1888 he completed it in Sils Maria towards the end of June of the same year and it was published in the following autumn Nietzsche contra Wagner was written about the middle of December 1888 but although it was printed and corrected before the New Year it was not published until long afterwards owing to Nietzsche's complete breakdown in the first days of 1889 In reading these two essays we are apt to be deceived by their virulent and forcible tone into believing that the whole matter is a mere cover for hidden fire a mere blind of sthetic discussion concealing a deep and implacable personal feud which demands and will have vengeance In spite of all that has been said to the contrary many people still hold this view of the two little works before us and as the actual facts are not accessible to every one and rumours are more easily believed than verified the error of supposing that these pamphlets were dictated by personal animosity and even by Nietzsche's envy of Wagner in his glory seems to be a pretty common one Another very general error is to suppose that the point at issue here is not one concerning music at all but concerning religion It is taken for granted that the aspirations the particular quality the influence and the method of an art like music are matters quite distinct from the values and the conditions prevailing in the culture with which it is in harmony and that however many Christian elements may be discovered in Wagnerian texts Nietzsche had no right to raise sthetic objections because he happened to entertain the extraordinary view that these Christian elements had also found their way into Wagnerian music To both of these views there is but one reply they are absolutely false In the *Ecce Homo* Nietzsche's autobiography a book which from cover to cover and line for line is sincerity itself we learn what Wagner actually meant to Nietzsche On pages 41 44 84 122 129 and if he used the name of David Strauss without bitterness or spite for he did not even know the man when he wished to personify Culture Philistinism so in the same spirit did he use the name of Wagner when he wished to personify the general decadence of modern ideas values aspirations and Art
