Smithmark Publishing,Smithmark Staff,1996-09 Chef ,2008 *Early French Cookery* D. Eleanor Scully, Terence
Scully,1995 Early French Cookery introduces the general features of the food prepared for wealthy French households at the
end of the Middle Ages The volume presents over 100 recipes drawn from actual medieval manuscripts together with
preparation instructions The authors help place these enticing recipes in context through a short survey of medieval dining
behavior and they give practical menu suggestions for preparing simple meals or banquets that incorporate these delightfully
tasty dishes Chapters include an overview of early French culinary traditions foodstuffs that were used and methods of
preparation Early French Cookery also discusses the equipment of the kitchens and dining rooms that were used and
characterizes those who prepared the food and those who consumed it The recipes are set out in a modern format with
quantities given in both metric and standard U S measurements Recipes are grouped by category appetizers vegetables fish
dishes desserts and so forth Early French Cookery concludes with a fascinating look at a day in the life of a contemporary
master chef at a duke s court We watch Master Chiquart organize the purchase storage preparation and serving of the food
consumed by a duke and his dozens of family members courtiers staff and servants and all done without benefit of grocery
stores refrigeration labor saving electric appliances or running water Early French Cookery will be of interest to a wide
variety of people from those who like to hold unusual parties to those who are interested in the economics of the middle ages
