

Kenyatta University May Intake 2015

Emilia Ilieva, Reuben Matheka

Kenyatta University May Intake 2015:

Thus Until Emilia Ilieva, Reuben Matheka, 2025-08-04 **Thus Until** A History of Egerton University is a thorough historical chronological and well researched account of Egerton University from a whites only college when it started in 1939 through to the expansion it has experienced over the years culminating in being a full university More than any other university in Kenya Egerton has a long and colourful history but like all the other universities it has suffered from the political economic and financial challenges of the time especially since the double intake of the 1990s Chapter One provides the required background to the study highlighting agricultural and educational policies and steering away from the Happy Valley hype so characteristic of the period The reader will learn about the Egerton family in Chapter Two and particularly about Lord Egerton himself and the colonial circumstances within which he lived The chapter dispels some of the popularly held myths about him Chapter Three deals with the beginnings of the college and the various structural and curriculum experiments tried out and the kind of enrolment and students it experimented with as an all white establishment The chapter ends with Africans beginning to agitate for change With great attention to detail the later chapters put the university in a broader local and international context thereby increasing its relevance to society A History of Egerton University though heavily footnoted and with a detailed bibliography is written in a simple easy flowing and accessible style **African Studies:**

Breakthroughs in Research and Practice Management Association, Information Resources, 2020-04-03 Global interest in African studies has been rapidly growing as researchers realize the importance of understanding the impact African communities can have on the economy development education and more As the use acceptance and popularity of African knowledge increases it is crucial to explore how this community based knowledge provides deeper insights understanding and influence on such things as decision making and problem solving African Studies Breakthroughs in Research and Practice examines the politics culture language history socio economic development methodologies and contemporary experiences of African peoples from around the world Highlighting a range of topics such as indigenous knowledge developing countries and public administration this publication is an ideal reference source for sociologists policymakers anthropologists government officials economists instructors researchers academicians and graduate level students in a variety of fields *Kenya National Assembly Official Record (Hansard)*, 2012-02-15 The official records of the proceedings of the Legislative Council of the Colony and Protectorate of Kenya the House of Representatives of the Government of Kenya and the National Assembly of the Republic of Kenya The Future of Accessibility in International Higher Education Alphin Jr., Henry C., Chan, Roy Y., Lavine, Jennie, 2017-05-17 Education is the foundation to almost all successful lives and it is important that a high level of schooling be available on a global scale Studying the trends in accessibility in education will allow educators to improve their own teaching techniques as well as expand their influence to more remote areas in the world The Future of Accessibility in International Higher Education is a comprehensive reference source for the latest

scholarly material on emerging methods and trends in disseminating knowledge in university settings Featuring extensive coverage on relevant topics such as e learning economic perspectives and educational technology this publication is ideally designed for educators academics students and researchers interested in expanding their knowledge of global education

Global Initiatives and Higher Education in the Fourth Industrial Revolution Erna Oliver,2022-11-08 The Fourth industrial Revolution 4IR is forcing higher education HE into a new era where it must either actively and positively contribute to innovation sustainability and development or become obsolete and redundant HE must leave its ivory tower and forge links and partnerships with society industry and governing bodies by delivering graduates that are holistically educated and trained to bring positive innovation and change and to address the challenges that humanity is facing in the 21st century

Multifunctional Agriculture Roger Leakey,2017-04-14 In a world increasingly challenged by the need to integrate and understand highly specialized knowledge in a multidisciplinary way this book is innovative and perhaps unique in addressing this challenge It focuses on ideas strategies techniques and practices spanning many disciplines at the interface of agriculture with forestry horticulture plant physiology genetics ecology soil science food science economics and the social and environmental sciences as delivered by intensified and enriched agroforestry Multifunctional Agriculture addresses this complexity using case studies and insights from the needs of African farmers whose livelihoods are constrained by complex interactions between social environmental and economic factors and problems underlying agricultural sustainability in Africa This book therefore provides an important resource for those trying to understand the role of agriculture in the achievement of the new Sustainable Development Goals by providing easily implementable practical and effective methodologies and practices Provides a single source comprehensive insight into agroforestry multifunctional agriculture it s potential challenges and progress Helps readers understand and assess potential opportunity through implementation Includes case studies and real world insights that address common situations and the practical application of best practices Explores the role of multi functional agriculture in mitigating climate change impacts providing value story beyond crop production

Survivor-Centred Justice Ingrid Roestenburg-Morgan,Tim Murithi,2025-02-04 This volume interrogates global perspectives and issues that constitute and characterize survivor centred justice exploring both conceptual and theoretical issues surrounding the definition of a survivor practical considerations of what constitutes a survivor centred approach to justice and available avenues of justice for survivors of mass atrocities In the first part of the book survivor centred justice is explored at the level of the International Criminal Court ICC The second part evaluates developments taking place at the local and domestic levels where traditional customary or local justice mechanisms find affinity with survivors in their quest for justice The third part focuses on advocacy based approaches being utilized specifically by non governmental organizations NGOs multilateral and regional institutions such as the United Nations and African Union in support of survivors In the final part of the book future prospects for survivors in the promotion of peacebuilding and atrocity

prevention are discussed The discussions in this volume will be of particular value and importance to international and transitional justice scholars including legal and development practitioners interested in survivor centred approaches to mass atrocity crimes Most importantly it aims to be of value to survivors survivor communities and survivor centred networks
