family correspondence and crucial interviews sealed for nearly forty years The result is a gripping accurate and ultimately moving portrait of America s most charismatic president Jack provides much needed context and perspective on Kennedy s bewilderingly complex personality It offers an even handed account of the seamy side of his life orgies and abortions health and drug problems along with valuable insights into JFK s truly idealistic and visionary character Jack presents a compelling account of the volatile relationship between Kennedy and his wife including Jackie s attempt to divorce him move to Hollywood and become a film star At the same time Perret explains how together they created the Kennedy style Jack reveals how the restless innovative Kennedy was able to overturn more than a hundred years of political tradition forge the modern political campaign and once in the White House modernize the presidency His success was so complete that all serious presidential candidates since 1960 have sought to compare themselves to JFK not challenging his legacy but embracing it Jack is filled too with numerous revelations such as the true story behind the lobotomy of JFK s sister Rosemary And here for the first time is a comprehensive account of Kennedy s numerous and varied ailments from childhood on including his back problems Perret describes how JFK got the two most important decisions of his administration right his handling of the Cuban missile crisis and his stance on civil rights As to Vietnam Kennedy did not believe it was worth fighting for and in the last months of his presidency he began formulating a secret plan for neutralization and withdrawal if he won the 1964 election But that of course was not to be Convinced he would die young Kennedy foresaw that a violent death would claim him Throughout his brief time in the White House he was haunted by a vision of a man standing at a window looking down at him holding a rifle Jack A Life Like No Other is a book like no other Here at last John F Kennedy seems to step off the page in all his vitality charm and originality
