Got Fight? Forrest Griffin, Erich Krauss, 2009-06-02 Wondering why you should purchase this book when there are other titles on the shelves written by much higher caliber fighters Well Forrest Griffin is not as good looking as those guys He's not as smart as them He's also not as athletically endowed And let's face it neither are you Those other fighters are pretty much better than

you in every way But you can actually aspire to be as good as Forrest one day Why Because he is nothing special just like you Forrest is not a martial artist He s a fighter and this book was written for his kin If you re a hillbilly like Forrest and you get off on having your face rearranged Got Fight is for you This is a manifesto more strategic than Sun Tzu s The Art of War more philosophical than Bruce Lee s Tao of Jeet Kune Do more powerful than a well lubricated locomotive In these pages you will learn about true mental toughness whether it s scraping it out in the Octagon or picking up chicks You will learn about the mental defects that made Forrest Griffin into the abomination he is today and how you can use your shortcomings to become equally horrible You will learn the essential tactics of hand to hand combat as well as how to defend yourself in the event of a sword attack Never been attacked by a sword You need this book worse than we thought Still not convinced Don t worry Even if you find that the book sucks it will be no worse than having sex with Forrest Griffin You ll feel a small prick and some minor discomfort and then it will all be over
