Llibreta De Vacances:

Projectes per aprendre literatura: interpretació i creativitat a l'aula Fontich Vicens, Xavier, 2020-11-05 Aquest llibre presenta un conjunt d'experiències d'educació literària portades a terme en aules de secundària i organitzades com a projectes de treball. S'hi defensa que el moll de l'os de l'educació literària s'ha de promoure els processos d'interpretació a través de la parla i l'escriptura de gèneres diversos. Els diversos capítols mostren de cada experiència el disseny de la intervenció relacionant en alguns casos literatura i cinema i el seu desenvolupament a l'aula incloent-hi consideracions diverses sobre dificultats, reptes i troballes que experimenten tant els alumnes com el docent. Encapçalant l'obra, l'autor defensa un model de projecte que convisqui amb pràctiques tradicionals i senzilles, també necessàries a l'escola, advertint de la deriva que pot tenir el treball per projectes cap a una pràctica en realitat rutinària i de simple aplicació d'un guió preestablert. Destaca així mateix la necessitat de veure el projecte com a punt de partida per a noves maneres de treballar i com a punt d'arribada del procés reflexiu i de desenvolupament professional del docent. El preleg de Gemma Lluch, experta en educació literària i catedràtica de la Universitat de València, New Trends in English Teacher Education Arsenio Jesús Moya Guíjarro, Ignacio Ramos Gay, José Ignacio Albentosa Hernández, 2009-02-02 Here is a collection of papers exploring from an interdisciplinary standpoint recent developments in teaching English as a second language. Insights into teaching methodologies, language acquisition and applied linguistics encompass the use of literature and cultural studies in educational research in order to provide teachers and scholars with a state-of-the-art account of the current progresses in foreign language education. Llibreta de vacances Ramon Solsona, 1991 *Mites clàssics en la literatura catalana moderna i contemporània, II* Eulàlia Miralles, Jordi Malé, 2017-06-15 En aquest segon volum de l'Aula Carles Riba sobre la presència dels mites clàssics en la literatura catalana moderna i contemporània s'analitzen autors que formen part del canó i altres de menys difusos, però amb obres que mereixen ser llegides i estudiades tant per la seva qualitat com per la seva inserció dins la fluïda del classicisme. Al costat de Francesc Fontanella, doncs, s'aborda un poeta com Carles Gassulla d'Ursino i al costat de Vicent Andrés Estellés, Baltasar Porcel, Carme Riera i Ramon Solsona, autors com Esteve Albert i Corp Nicolau, M. Rubí i Tudurí i Rom Comamala. Completa el volum una anàlisi sobre la presència del mite d'Odisseu en escriptors del segle XX. Aquest llibre, en homenatge a Carles Miralles, s'inscriu dins la línia de recerca de l'Aula Carles Riba dedicada a l'anàlisi de les recreacions dels mites grecollatins en les lletres catalanes que ja va donar com a resultat un primer volum el 2007. Ambdós responen a l'objectiu principal del grup d'investigació: l'estudi de la presència i el paper dels clàssics i l'humanisme en la nostra història cultural i literària. *Ramon Solsona*, 1994 *Coses de família (digital)* Joan Agut, 2013-05-10 Novel·la autobiogràfica. Coses de família narra amb ironia el taranné de la família de l'autor i la influència que aquesta i la poca que li tocava viure en la seva infantesa i en la seva adolescència van tenir sobre ell i la seva personalitat, s'ha situat un quadre d'una certa societat barcelonina del segon quart del segle XX abans durant i immediatament després de la Guerra Civil Espanyola. **Host Bibliographic Record for Boundwith Item**
