## **Journey Of The Angels The Tobias Materials:**

Journey of the Angels Geoffrey Hoppe, Linda Hoppe, 2013-05-01 Tobias is the entity who first appeared to Geoffrey Hoppe on an airplane in 1997 Tobias is an angelic being who has lived many lifetimes on Earth and came back through the angelic realms for what he calls the biggest evolution of consciousness humanity has ever experienced He lovingly assists those who are going through spiritual transformations seeking to integrate their divinity with their humanity and rediscovering the God within His spiritual and inspirational messages have been delivered through Geoffrey and Linda Hoppe for many years Journey of the Angels is an allegory told by Tobias through the Hoppes his most powerful and positive statement yet The key to spiritual transformation lies in the absolute surrender to the love of self and in the total acceptance of everything we have chosen to experience in the density of this third dimensional realm Ascension occurred in the moment when I said I Am That I Am and I love everything about myself without shame without guilt without reservation without ifs ands or buts Ascension occurred when I surrendered into who I actually am rather than to the aspects I had created trying to pretend I was something else Ascension occurred when I knew within my heart that I am I always was and I always will be We came to forget to remember and finally to know That's who we are why we are here that is the path we have chosen and our purpose for choosing Tobias **The Creator Series** Tobias, Geoffrey Hoppe, Linda Benyo Hoppe, 2002-07-16 What happens after the New Age Finally bold new information for spiritual seekers Tobias a loving and compassionate angel from the apocryphal Bible shares twelve powerful lessons for moving into the New Energy in The Creator Series Spiritual journeyers from every part of the world have already benefited from Tobias insights and wisdom on the Internet at www crimsoncircle com Learn how to Be in your divine moment every moment Create your new reality without struggling Stand behind the short wall in the midst of chaos Replace Free Will with your inherent Divine Will Resolve your challenges in the Oven of Grace Dance with what comes to your front door Empower yourself rather than giving it away to others Discover what Tobias says about Why you left Home and what you did before coming to Earth Why prayer meditation and visualization are old tools Why it s time to put down crystals pendulums and astrology Why the battle of light vs dark is intensifying How to move from duality into the new guad energy Challenge yourself to release the old and move into your new personal divinity with The Creator Series from Tobias You never go Home Instead Home will come to you With these words Tobias laid out an entirely new understanding of how we came to Earth and why this is such an important crossroads on our spiritual journey **Tobit** Beate Ego, 2025-07-16 This commentary sets the ancient Jewish story of Tobit within a broad tradition historical context analyzing the conceptions of angels and demons it contains as well as its notions of ancient medicine together with its understanding of the Torah Presented along with this is a synchronically oriented interpretation of the whole text which shows that the narrative should ultimately be understood in terms of historical theology It reveals how in the days of Hellenistic rule ancient Judaism was able to cope with the threat from the aggressive politics of the empires Within this

context the elderly Tobit's hymn of praise at the end of the narrative in Tob 13 opens a vista of hope for its addressees **The Creation and the Angels** Heralds of the Gospel, 2015-11-15 Who are the Angels Where do they live What do they do Find all your answers on these comprehensive eBook through 107 fully illustrated pages Through His fatherly Providence God our Lord has given us a friend and more a brother completely selfless concerned only with our well being and endowed with great power to intercede with the Divine Majesty Using the very words of the Holy Spirit we can say that whoever has found a real friend has found a treasure Nothing is worth as much as a faithful friend his value is beyond measure Ecclesiastes 6 14 15 This treasure dear reader can be better understood and loved by reading this book which is about the beautiful work of the creation of the universe and the most noble of creatures to come from the hand of the divine Artist the A Brief History of Angels and Demons Sarah Bartlett, 2011-11-03 Throughout history the human guest for Angels knowledge of the divine has ruffled the wings of many an angel but also tested the wrath of the demon This book not traces the history of angels and demons from their earliest roots to their modern day renaissance but also reveals their most intimate secrets Whether through personal stories literature myth religion or art this book is the story of how belief in angels and demons has cast a powerful spell over the popular imagination The ^A^IRevelations^R of St. Birgitta of Sweden Bridget Morris, 2008-10-07 This is the second of four volumes and it contains Book IV and Book V of the Revelations Book IV includes some of Birgitta's most influential visions with topics ranging from the Avignon papacy and purgatory to the Hundred Years War Book V the Liber Quaestionum Book of Questions takes the form of a learned dialogue between Christ and a monk standing on a ladder fixed between heaven and earth The argument centers on the way in which God s providence is constantly misunderstood and rejected by self centered human beings The translation is based on the recently completed critical edition of the Latin text and promises to be the standard English translation of the Revelations for years to Messenger of the Most Precious Blood ,1920 Patriarchs, Angels & Prophets Peter van der come Coelen, Museum Het Rembrandthuis, 1996 Daily lections for every morning and evening throughout the year, ed. **by J.F.W.
