into the unknown The war is over and I long to do nothing more than sit at my beloved Master's feet Instead I m in charge of
a camp full of POWs trying to make their lives more tolerable than my own time behind the razor wire And then 2 little blue
lines on a plastic stick change everything Pregnant Ryan is desperate to keep me safe He s putting me in a box and the
harder he pushes the more I push back Once my whole world revolved around him Now I rarely call him Sir And then he
pushes too far and I use my safe word Freedom HEA Explicit sex D s punishments This is the final book of the
Finding Home Series Lots of sexy times angst danger and definitely an HEA Excerpt Come on one more time Her eyes closed
tight with effort Liz pushed the first baby out and into the doctor's waiting hands The baby looked startled as though she d
been sleeping peacefully until suddenly being thrust into the bright lights It s a girl the doctor pronounced as she laid the
slippery squirming suddenly bawling baby on Liz s chest What s her name It took Ryan a moment to realize she d asked a
question Um Mercy After Liz s mom The nurse was drying the baby off and doing an exam Liz she called softly She opened
her eyes I need to take her over to the other bed She s breathing a little fast Liz nodded Ryan was torn between his daughter
a dozen feet away and his wife whose hand he held tight and who had another baby to deliver The decision was made for him
when a contraction started Liz screwed up her face and bore down C mon love you can do it Let's get Hannah out here to
meet her sister A handful of pushes later the other baby slipped out and she too looked peeved at her circumstances Ryan felt
the tension of the last two days slip out of him as his second daughter joined her cries with the first and he let out a laugh at
the expression on her face She looks just like you when you re mad Liz didn t respond her eyes were closed with exhaustion
though her grip on Ryan s hand was tight A nurse moved the baby from Liz s chest to a warmer where the team started
drying her off Ryan she whispered go check on them Please He squeezed her hand and left her side Both babies were now
pink and protesting He looked from one to another tiny little girls with heads full of dark blond hair and so exactly like each
other he wasn t sure who was whom He turned back to look at Liz but something wasn t right The nurse told the doctor that
Liz s blood pressure had jumped up and as she spoke Liz began shaking so hard the whole bed rattled The doctor called out
orders in a calm voice and suddenly the room was filled with a buzz of activity Ryan watched in disbelief as Liz continued to
shake even as they turned her to her side and gave her oxygen and stuck something into her IV line No one paid attention to
him as they worked quickly and efficiently The seizure seemed to go on forever and ever but finally it quieted Liz was now
surrounded by lines and machines and people who had appeared out of nowhere There was the steady beeping of a heart
monitor Someone opened the door someone else released the brakes on the bed and in an instant she was rolled out the door
and was gone And Ryan felt more alone than he ever thought possible Keywords alternate
