Lkg Question Paper:

I, Athira... S Athira, 2024 Some features of this book Athira provides a personal account revealing how radical religious groups manipulate individuals into converting initially fostering a sense of aversion to their own culture and religion then to their society country family and eventually their own identity This book offers guidance on how to rehabilitate and help those who have lost their ability to think critically and logically after being influenced by extremist ideologies through the process of Spiritual Counselling This book is for all religious converts and those who are on the verge of converting A patient reading of this book will surely make you rethink your decision to convert *Story of a Reversion* O Sruthi, The story of Sruthi a young school teacher from an orthodox Havyaka Brahmin family in Kasaragod shook society when she converted to Islam as Rahmat Like thousands of others she too was deceived and misconceived into leaving behind her roots and Dharma By divine grace Sruthi found her way to Aarsha Vidya Samajam where she discovered the depth and truth of Sanatana Dharma With courage in her heart and tears of repentance in her eyes she returned to her Swadharma and to her family Today as a full time Sanathana Dharma Pracharika she has been helping in bring back many thousands of others who are victims of radicalization Her powerful testimony shared in a heartfelt YouTube video went viral and touched more than 6 million views In this book Sruthi bares her soul revealing the forces that push people into conversion the anguish it causes families and the way forward to prevent such tragedies *Hybrid Intelligent Systems* Ajith Abraham, Tzung-Pei Hong, Ketan Kotecha, Kun Ma, Pooja Manghirmalani Mishra, Niketa Gandhi, 2023-05-24 This book highlights the recent research on hybrid intelligent systems and their various practical applications It presents 97 selected papers from the 22nd International Conference on Hybrid Intelligent Systems HIS 2022 and 26 papers from the 18th International Conference on Information Assurance and Security which was held online from 13 to 15 December 2022 A premier conference in the field of artificial intelligence and machine learning applications HIS IAS 2022 brought together researchers engineers and practitioners whose work involves intelligent systems network security and their applications in industry Including contributions by authors from over 35 countries the book offers a valuable reference guide for all researchers students and practitioners in the fields of Computer Science and Engineering **Paper** American Society of Mechanical Engineers, 1918 **Information Retrieval Technology** Buren Zheng, 2010 The Asia Information Retrieval Societies Conference AIRS 2010 was the sixth conference in the AIRS series aiming to bring together international researchers and developers to exchange new ideas and the latest results in information retrieval The scope of the conference encompassed the theory and practice of all aspects of information retrieval in text audio image video and multimedia data AIRS 2010 continued the conference series that grew from the Information Retrieval with Asian Languages IRAL workshop series started in 1996 It has become a mature venue for information retrieval work nding support from the ACM Special Interest Group on Information Retrieval SIGIR the Association for Computational Linguistics and Chinese Language Processing ACLCLP ROCLING and the Information

Processing Society of Japan Special Interest Group on Information Fundamentals and Access Technologies IPSJSIG IFAT This year saw a sharp rise in the number of submissions over the previous year A total of 120 papers were submitted representing work by academics and practitioners not only from Asia but also from Australia Europe North America etc The high quality of the work made it difficult for the dedicated program committee to decide which papers to feature at the conference Through a double blind reviewing process 26 submissions 21% were accepted as full oral papers and 31 25% were accepted as short posters The success of this conference was only possible with the support of all of the authors who submitted papers for review the program committee members who constructively assessed the submissions and the registered conference delegates We thank them for their support of this conference and for their long term support of this Asian centric venue for IR research and development
