## **SAMPLE MATH TEST**

This is a sample math test which is very similar to the math test that is given to an applicant as part of the “application process” for entrance to the Plumbers & Steamfitters Local #486 Apprenticeship Program. You may wish to go over the sample math test to become familiar with the questions prior to making application to the school. Do not send this sample test back to the Training School – we do not grade sample math tests.
