

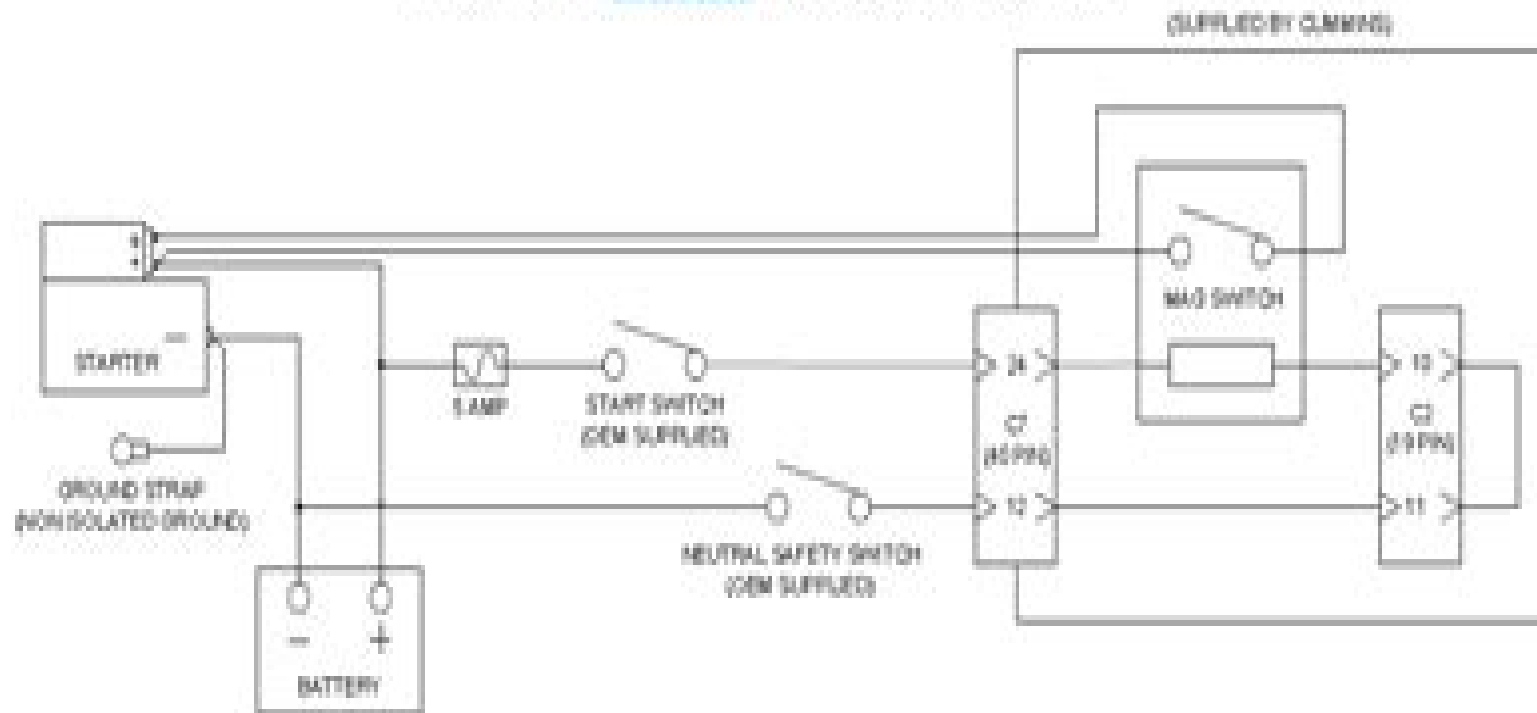

Figure 7: Neutral Safety/Start Circuit

Note: The engine harness connector C2 (19-pin at the flywheel housing) comes pre-jumper-capped with Cummins Part number 5312327 from the factory if the non-SmartCraft package is ordered. This cap provides jumpers between C2-10 (Neutral Safety) and C2-11 (Neutral Safety Mag Switch Return). This cap must be left in place in order for the engine to start. No action is required of the boat builder at this connector.
