

To My Future Husband,

04/16/2020

I bought this journal today so that when I do find you, you will know how much I care about you and how long I've waited for someone like you. I know that marriage is something that isn't promised by God, but it is definitely something I hope for in my future. I know that my future will be with someone who is strong in their faith. Even if you have stumbled sometimes, you have seen the Grace of God and gotten back up. If you weren't strong in faith, I hope that I can teach you about my Father because I know that he loves you for who you are. I know that my future is with someone who is truthful. Someone who won't lie to me to spare my feelings, but someone who will tell me the truth about things so that we might share in the burden together. I hope that we never feel the need to keep secrets from one another. I know that the future ahead of us will be full of bumps in the road, but I hope that we can cling to each other to make it through. I know that my future is with someone who is kind. I hope that you encourage me in my future endeavors. I want to know that I will be able to count on you no matter what. I hope that you serve the community and that you love kids because that is what I see in my future. If you are finally reading this, that means that I have found you... and I am so glad. I love you so much, and I can't wait to start a life with you.
