When You Pray Rueben P. Job, 2010-10-01 Prayer is one of the most important areas of a Christian's life. In *When You Pray* Bishop Rueben P. Job explores the daily practices of living a prayerful life with this thoughtful devotional. *When You Pray* is an excellent tool to use in daily prayer time and while linked to the Revised Common Lectionary, non-lectionary users will feel comfortable reading this as well. This stand-alone devotional can also be used for churches participating in Becoming A Praying Congregation as the leader team members, congregation, small groups, families, and individuals will be encouraged to use this resource in their prayer time.

Millennial Missionaries Katherine Dugan, 2019 Millennials in the U.S. have been characterized as uninterested in religion as defectors from religious institutions and as agnostic about the role of religious identity in their culture. Amid the rise of so-called nones, though, there has also been a countervailing trend: an increase in religious piety among some millennial Catholics. The Fellowship of Catholic University Students FOCUS, which began evangelizing college students on American university campuses in 1998, hires recent college graduates to evangelize college students and promote an attractive and culturally savvy Catholicism. These millennial Catholics have personal relationships with Jesus, attend Mass daily, and know and defend papal teachings while also being immersed in U.S. popular culture. With their skinny jeans, devotional tattoos, and large framed glasses, FOCUS missionaries embody a hip, attractive style of Catholicism. They promote a faith that interweaves distinctly Catholic identity with outreach methods of twentieth-century evangelical Protestants and the anxieties of middle-class emerging adulthood. Though this new generation of missionaries lives according to strict gender essentialism prescribed by papal teachings, including the notions that men lead while women follow and that biology dictates gender roles, they also support stay-at-home fatherhood and women earning MBAs. *Millennial Missionaries* examines how these young people navigate their Catholic and American identities in the twenty-first century. Illuminating the ways missionaries are reshaping American Catholic identity, Katherine Dugan explores the contemporary U.S. religious landscape from the perspective of millennials who proudly proclaim "I am Catholic" and devote years of their lives to convincing others to do the same.

Now they offer readers step-by-step advice on where, when, and what words to use in praying with another person. The couple addresses not only that simple question but they also explain how partnered prayer can restore relationships and revitalize families. Amazon.com

After Saturday Comes Sunday Elizabeth Natalie Kendal, 2016-06-08 The post-Christian West is in decline; revived Islam is on the rise, and Mesopotamia, Syria, Iraq, the cradle of civilization, has become ground zero in a battle for civilization. Despised as infidels, unbelievers, and kafir, unclean Mesopotamia's indigenous Christian peoples are targeted by fundamentalist Muslims and jihadists for subjugation, exploitation, and elimination. Pushed deep into the fog of war, buried under a mountain of propaganda, and rendered invisible

by a shroud of silence they are betrayed and abandoned by the West's progressive political academic and media elites who cling to utopian fantasies about Islam while nurturing deep seated hostility towards Christianity. If they are to survive as a people in their historic homeland the Christians of Mesopotamia will need all the help they can get. If Western civilization is to survive as a force in its historic heartland Europe then we had better start seeing hearing and believing the Christians of the Middle East for their plight prefigures our own.
