**The Sacrifices We Make** Mila Sin, 2021-07-10 A funeral a murder and a wedding A King sits at the head of the

table but it's time for a Queen to take over. After all, everyone knows she's the most powerful on the board. All sides are laying their pieces on the playing field, making alliances and maneuvering pawns into place when a new player slinks out from the shadows to join the game. Let's just hope our new allies know how to play. The only question is: what am I willing to lose to get what I want? Is there a price too high? Because to take a King, everyone must make sacrifices. *The Sacrifices We Make* is a full-length reverse harem novel and is the second in the *Maven of Mayhem Series* and it is advised to read *The Secrets We Keep* first. It is a why-choose romance meaning our leading lady has multiple love interests and does not have to choose to find her happily ever after and includes MM. Please be advised there are graphic scenes of violence and sex that may offend some readers. Proceed with caution. This is book two of three in the series. *Chaos* Jamie Shaw, 2015-07-21. The next novel in Jamie's fantastic *Mayhem series* reunites lead guitarist Shawn with a girl from his past who is determined to show him what he's been missing. From the moment she saw Shawn Scarlett perform at a school talent show, Kit Larson has loved two things: the guitar and the gorgeous green-eyed boy who inspired her to play. But one careless night in high school shatters her hope of ever being more than a notch in his bedpost. Six years, two bands, and one mostly mended heart later, Kit's about to make her rock star dreams a reality as the new guitarist for Shawn's band, *The Last Ones to Know*. He may not remember their reckless night together, but Kit has never forgotten, and she's determined to make him eat his heart out. The release of their new album means a month cooped up on a tour bus, sleeping inches away from the ridiculously sexy musician she's never quite gotten over. And as Kit gets to know the real Shawn, not Shawn Scarlett, the rock god, the player, their attraction becomes too hot to resist. But the past is paved with secrets, and when they finally surface, Kit could lose everything: the band, the music, her dreams, and Shawn. *The Scars We Bare* Mila Sin, 2021-09-27. Killer Traitor Queen. I never thought learning about my parents would bring more questions than answers. I am a product of both my genetics and my upbringing, no matter how much my mind rages against recent revelations. But now it's time to embrace the darkness that lives in my veins. The creature that prowls within. To end this once and for all, I'll have to become someone I've spent my life loathing. Lucas, Han, Noah, and Jacob are working to undermine Annex Security from inside with the help of a few unlikely allies while I take the reins and set my sights on a target closer to home. The board is set, the pawns sacrificed, and when all is said and done, the Queen's Gambit is poised to wipe the whole damn board. The only question is: can we all make it out? Can we survive without succumbing to the monsters we hide within? *The Scars We Bare* is the third and final book in the *Maven of Mayhem Series*. It is highly recommended to read the other two books in sequential order to follow the storyline. This is a full-length why-choose novel meaning our leading lady does not need to choose between love interests to find her happily ever after and includes MM. This book contains steamy scenes and violence. Please read the content warnings because your mental health comes first. *Eruptions and Explosions* Judy Dodge Cummings, 2018-02-01. The energy released when volcanoes erupt, engines combust, or bombs explode both thrills and fascinates people. But this power also kills. *Eruptions and Explosions* Real Tales of Violent
