 2009 following a production principle that embraced graphic spontaneity and improvisation The lead character of this pseudo
 story Major Grubert evolves in a humorous yet philosophical manner echoing how M bius s creations are treated in the Inside
 M bius series Join the Major on his last trip to the nebula of The Airtight Garage where M bius rules as the playful Trickster
 of legend What begins as a comical jaunt into unusually profound philosophical questions regarding the nature of existence
 eventually winds up as a penetrating examination of the relationship between the author and his creation the latter of whom
 must necessarily suffer at the heartless whim of his creator despite the Major s passionate desire for real life and even
 freedom beyond these comics Translated by Diana Schutz with lettering by Adam Pruett M bius s playfully drawn main black
 and white story is augmented with nine color pages Moebius Oeuvres : Le Garage hermétique classique
