Moi University Prospectus 2013:

The Palgrave Handbook of Contemporary Kenya Wanjala S. Nasong'o, Maurice N. Amutabi, Toyin Falola, 2023-05-27

This volume is a bold attempt to address a comprehensive range of themes and issues relating to contemporary Kenya. It covers independent Kenya's history, society, culture, economics, politics, and environment with great breadth and depth, comprising thirty-four chapters divided into three parts. Part I focuses on independence and the political economy of development, followed by Part II on environment, globalization, gender, and society. Part III examines the external context's impact and implications for Kenya and the role of Kenya in the global political economy.

Translating Transgressive Texts Pauline Henry-Tierney, 2023-12-22 Through close examination of references to gender identity, female sexuality, and corporeality, this book is the first of its kind to shed light on the complexities of translating the recent transgressive turn in contemporary women's writing in French. Via four case studies, namely the translations into English of Nelly Arcan's *Putain* (2001), Catherine Millet's *La Vie sexuelle de Catherine M.* (2001), Nancy Huston's *Infrarouge* (2010), and Nina Bouraoui's *Garçon manqué* (2000), this book explores how transgressive topoi such as prostitution, anorexia, matrophobia, rape, female desire, and transgenderism are translated. The book considers how auto-fictional female selves portrayed are displaced by translation at both a textual and paratextual level. Combining feminist phenomenological perspectives on female lived experience with feminist translation theory, this interdisciplinary study offers an insight into how the experiential is brought into language, how it journeys via language into new cultural contexts via translation, and creates a dialogical space in which the subjectivities of those involved—author, narrator, protagonist, translator—become open to the porosity of encounters with alterity. The volume will appeal to scholars in translation studies, French Studies, and gender and sexuality studies, particularly those interested in feminist translation and literary translation.

Policies, Politics, and Ideologies of English-Medium Instruction in Asian Universities Pramod K. Sah, Fan Fang, 2023-06-29 Against the backdrop of uncritical promotions of English medium instruction (EMI) in higher education globally, this edited volume maps out the political, ideological, and policy-related issues of EMI programs in multilingual and multicultural universities in Asia. In this volume, EMI researchers and practitioners involved in different Asian countries and regions have collaboratively unpacked the critical dimensions of EMI programs in higher education with a goal to provide much-needed resources for researchers, graduate students, higher education leaders, and policymakers. This volume is the first of its kind in that it provides an exclusive and critical tapestry of EMI at multilingual universities from all parts of Asia, including Central Asia (Kazakhstan), East Asia (Mainland China, Korea, Japan, and Taiwan), South Asia (Bangladesh and Nepal), Southeast Asia (Brunei, Malaysia, Philippines, Thailand, and Vietnam), and Western Asia (United Arab Emirates). The key takeaway for the reader is to not only understand the current phenomenon of EMI in Asian universities but to also learn the dark side of its policies, programs, and practices that have led to unequal teaching and learning spaces in diverse societies. This collection will be of interest to scholars and policymakers in English
