**(c) Identify and explain two factors that would affect Kyle's choice of source of finance. [4]**

Relevant points might include: • Amount needed he has some savings so might not need much money • What finance is needed for as would use different sources for buying ingredients or the shop • Timespan to buy ingredients is likely to be short term /if to buy franchise – long term so he needs to decide how • Financial status as just starting to trade he will not have many options • Interest rates if high, likely to have to pay a lot if borrow \$100000

**(d) Identify and explain two factors that Kyle should consider when choosing a suitable location for his business. [6]**

Factors could include: • Demand/customers: enough people to have sale/revenue • Cost of rent a busy city centre location will cost more which as new cannot afford • Competition: if other fast food businesses nearby customers might be loyal to them so will not chose Frydays • Guidelines from Frydays could state where restaurant has to be so has little choice • Access to right type of employees as needs to hire employees • Enough space as needs somewhere to cook as well as serve • Space for parking so ease of access for food deliveries

**(e) Do you think that owning a franchise would mean Kyle is 'certain to make a profit?' Justify your answer. [6]**

Relevant points might include: • Has to give royalties/share of profits to Frydays so little profit for himself • Less risk than sole trader so higher possible sales/customers as its leading name • Total costs might be too high • Franchisor will pay for some costs, e.g. promotion reducing Kyle's fixed costs • Limited influence over decisions so not able to make choices to increase sales enough • Negative publicity about Frydays will affect all franchises so sales and profits could suffer through no fault of Kyle • Customer tastes might change so demand for fast food falls • Actions of competitors so sales might fall • Business is not guaranteed to succeed if he chooses the wrong location; might not make enough sales / get customers

**5 (a) Identify two features of an economic boom.**

Points might include: Low unemployment, high GDP, rising business sector profits, rising rates of inflation, (possible) shortage of skilled workers, business costs rising, higher demand, higher incomes.

**(b) Identify two possible advantages to mine workers of being members of a trade union. [2]**

Points could include: negotiate for higher wages, better working conditions, improved health and safety, collective bargaining power, advice, legal support, social benefits.

**(c) Identify and explain two possible advantages to GGC's management of its mine workers of being members of a trade union. [4]**

Points might include: • Disputes can be solved more quickly so mining operations are not delayed • Help agree changes, e.g. if union agree to longer shifts miners are likely to accept the change • No need to negotiate with individual workers • Less time wasted in arguments so managers can
