A downloadable image bank assists with essay and assignment preparation. New edition of a classic textbook updated and designed for today's midwifery student. Chapters authored by experts in their field including midwifery academics and clinicians as well as allied professionals such as researchers, physiotherapists, neonatal nurse specialists, social scientists and legal experts. Evidence and research based throughout to help facilitate safe clinical practice. Learning outcomes and key points help readers structure their study and recap on what they have learned. Reflective activities encourage the application of theory to practice. Contains practice based tools and checklists. Presents and discusses the latest national and international guidelines. Associated website with over 600 MCQs, reflective activities to encourage the application of theory to practice, case studies and additional learning tools. Downloadable image bank to assist readers with essay preparation and other assignments. Suitable for use in normal community and midwife led arenas, high tech environments and more rural areas of clinical practice. Brand new design incorporating helpful learning features, aids reader engagement and retention of facts. Updated artwork program helps clarify complex physiological processes and other challenging concepts.

Midwifery Preparation for Practice Sally Pairman, Sally K. Tracy, Hannah Dahlen, Lesley Dixon, 2022-10-15 Now in its 5th edition, Midwifery Preparation for Practice continues to present a global model of midwifery best practice that is supported by a range of examples from the Australian, New Zealand and international midwifery contexts. Endorsed by the Australian College of Midwives and the New Zealand College of Midwives, the text continues to reinforce the established principles of midwifery philosophy and practice, that of midwives working in partnership with women in woman centred models or midwife led care. This focus is what sets this text apart from other physiology based midwifery texts, making it a highly valued resource for students and practicing midwives alike. The highly esteemed team of editors once again lead a group of internationally recognised leaders in midwifery to share their knowledge and expertise in midwifery practice, education, research and regulation across Australia, New Zealand and internationally. Aligned to local and international midwifery standards for practice and guidelines. Endorsed by the Australian College of Midwives and the New Zealand College of Midwives. Presented in 2 volumes for ease of use. Videos to support learning. New chapters: Sustainability and Environmental Health Care, Ethical Frameworks for Practice. Updated midwifery guidelines and practice examples throughout.
