La Crise Pour Les Nuls:

La crise pour les nuls Michel Musolino, 2012 La crise Elle concerne tout le monde mais personne n'y comprend rien Plus de cinq ans après son commencement on a même l'impression que nous nous y enfonçons chaque jour davantage Et certains n'hésitent plus à dire que le pire est pour demain Les uns accusent la finance et son avidité les autres l'Etat et ses largesses Pour certains l'euro est la source de tous les problèmes pour d'autres c'est la Chine Face à l'emballement de la dette ou la hausse du chômage ce sont la confusion et un sentiment d'impuissance qui dominent Cette vision est pourtant exagérément pessimiste Avec un peu de recul historique et des connaissances économiques de base on s'aperçoit qu'il n'y a pas de fatalité Comment se produisent les crises Qu'est-ce qui caractérise la crise actuelle Qui en sont les responsables Et peut-on enrayer ce cycle infernal Ce livre fait le pari de rendre la compréhension de la crise accessible tous sans jargon ni parti pris

La Crise Pour les Nuls Collectif, 2012-10-25 Enfin la vérité sur la crise La crise qui s'est abattue sur le monde depuis 2007 provoque incompréhension et inquiétude Les analyses des journalistes hommes politiques et économistes restant pour la plupart opaques ou sibyllines il était nécessaire et salutaire d'offrir au grand public dans une démarche analogue celle de *L'Economie pour les Nuls* un décryptage accessible de ce bouleversement majeur D'cryptage accessible mais non simpliste car l'importance et la complexité du phénomène ne doivent aussi bien faire carter l'optimisme des spécialistes que les simplifications coupables des vulgarisateurs L'information tant par ailleurs inévitablement engluée dans l'urgence des événements la crise grecque la note de la France une prise de recul et une mise en perspective est essentielle L'ouvrage se veut donc neutre et laïque Tous les points de vue les croyances exposés seront nommément attribués à leurs auteurs Au lecteur de faire ensuite le tri et son choix parmi les interprétations proposées
