Les Successions En Droit Musulman Cas De Legypte:

Les successions en droit musulman Sami Awad Aldeeb Abu-Sahlieh, 2009 *Les successions en droit musulman* Sami A. Aldeeb Abu-Sahlieh, 2012 *La femme et le droit religieux de l'Égypte contemporaine* Doria Ragai (Shafik), 1940-01-01T00:00:00Z Cet ouvrage est une réédition numérique d'un livre paru au XXe siècle désormais indisponible dans son format d'origine **Changing God's Law** Nadjma Yassari, 2016-06-03 This volume identifies and elaborates on the significance and functions of the various actors involved in the development of family law in the Middle East Besides the importance of family law regulations for each individual family law has become the battleground of political and social contestation Divided into four parts the collection presents a general overview and analysis of the development of family law in the region and provides insights into the broader context of family law reform before offering examples of legal development realised by codification drawn from a selection of Gulf states Iran and Egypt It then goes on to present a thorough analysis of the role of the judiciary in the process of lawmaking before discussing ways the parties themselves may have shaped and do shape the law Including contributions from leading authors of Middle Eastern law this timely volume brings together many isolated aspects of legal development and offers a comprehensive picture on this topical subject It will be of interest to scholars and academics of family law and religion

Comparative Succession Law Kenneth G. C. Reid, Marius Johannes De Waal, Reinhard Zimmermann, 2011 Launching a major new research project examining the principles of succession law in comparative perspective this book discusses the formalities which the law imposes in order for a person to make a testamentary disposal of property Among the questions considered are the following How are wills made What precisely are the rules as to the signature of the testator the use of witnesses the need for a notary public or lawyer and so on Is there a choice of will type and if so which type is used most often and what are the advantages and disadvantages of each How common is will making or do most people die intestate What happens if formalities are not observed How can requirements of form be explained and justified How did the law develop historically what is the state of the law today and what are the prospects for the future The focus is on Europe and on countries which have been influenced by the European experience Thus in addition to giving a detailed treatment of the law in Austria Belgium England and Wales France Germany Hungary Italy the Netherlands Poland and Spain the book explores legal developments in Australia New Zealand the United States of America and in some of the countries of Latin America with a particular emphasis on Brazil It also includes chapters on two of the mixed jurisdictions Scotland and South Africa and on Islamic Law The book opens with chapters on Roman law and on the early modern law in Europe thus setting the historical scene as well as anticipating and complementing the accounts of national history which appear in subsequent chapters and it concludes with an assessment of the overall development of the law in the countries surveyed and with some wider reflections on the nature and purpose of testamentary formalities **L'Influence de la religion dans le droit**
