He's a hands-on bodyguard and a one woman man. There is nothing Connor Malone wants to do less than babysit Lyric Jones. But part of him relishes taming the wild songstress and showing her what it's like to be possessed, body and soul, by one man. And though Lyric's crazy antics nearly drive Connor to the edge, his quiet intensity penetrates her defenses, leaving them both vulnerable to the secrets that could topple Lyric from the stage.

She's given the opportunity to immerse herself in a different life while her normal one waits for her to return whenever she wishes. Damon has no desire to let her go, however. Serena is the woman he's long searched for, and it's up to him to convince her to stay when the game is all over with. He wants their fantasy to become their reality, and for Serena to remain his pampered, cherished, submissive.

Until the night they gave in to their desires and suddenly took their relationship one step further. In the aftermath of their one-night stand, they're called out on a mission that goes terribly wrong, and P.J. walks away from KGI, resolved not to drag her teammates into the murky shadows she's poised to delve into. Six months later, Cole hasn't given up his search for P.J., and he's determined to bring her back home where she belongs. Bent on vengeance, P.J. has plunged into a serpentine game of payback that will make her question everything she's ever believed in. But Cole and the rest of their team refuse to let her go it alone. Even if it means sacrificing their loyalty to KGI and their lives.
