Middle Men Stories:

Middle Men Jim Gavin, 2014-02-11 Presents stories featuring men who make doomed forays into middle class respectability in Southern California from a high school basketball player who aspires to a college scholarship to a game show production assistant who moonlights as a stand up comedian

Comfort Women of the Japanese Empire Park Yuha, 2024-07-29 This is an important and controversial work hitherto available only in Korean Japanese and Chinese a book which has been subject to court cases attempting to have some parts deleted The author reconsiders the issue of the comfort women that is the Korean women who were compelled to provide sexual comfort to Japanese troops during the Asia Pacific War She explores the human complexity of the experiences of these women who despite terrible exploitation she feels cannot and should not only be considered as passive victims She sets the issue in context revealing how Korean society played a role with patriarchy and middlemen being significant factors in the procurement of comfort women and how alongside the comfort women there were volunteer labor corps of Korean young women supporting the Japanese war effort The author highlights Korea's colonial status different from the territories Japan invaded and conquered discusses how relations between colonizers and colonized in an empire are not straightforward and argues that people should work to understand more fully the mindset of those at the time and refrain from forcing values from the present to resolve indignities of the past Aiming to find a way to pursue reconciliation while looking more closely at the history the book provides substantial consideration of key issues to do with empire memorialization and censorship It is an uncomfortable read for those seeking simplistic interpretations and easy solutions

[Social Order through Contracts](#) Jian Qu, 2021-02-04 This book is the first Western language monograph on the study of the Qingshui River manuscripts By examining over 3 000 contracts and other manuscripts this book offers constructive insights into the long standing question of how and why a society in late imperial China could maintain a well functioning social system with few laws but many contracts i e Hobbesian words without sword Three interrelated questions what contracts were how and why they worked are explained successively Thus this book presents a non stereotypical contract society in southwest China arguing that the social order which provides predictability and regularity for economic prosperity could be formed and maintained through contracts even under the condition of relatively weak influence of governmental and legal authorities This book benefits readers who are interested in law society and history While presenting the socio legal landscape of a frontier area in late imperial China for historians this book provides a novel and empirical interpretation of the supposedly well known contract device for legal researchers thereby proposing materials for an integrated theoretical explanatory framework of contracts in general By employing the innovative theory of blockchain in its key argumentation the book offers a creative interpretation of historical and social phenomena

Adopting the Track of Term: An Emotional Symphony within **Middle Men Stories**

In a global consumed by screens and the ceaseless chatter of instantaneous transmission, the melodic beauty and emotional symphony developed by the written word often disappear in to the back ground, eclipsed by the constant sound and disturbances that permeate our lives. However, located within the pages of **Middle Men Stories** a wonderful fictional treasure filled with raw emotions, lies an immersive symphony waiting to be embraced. Crafted by a wonderful musician of language, this charming masterpiece conducts readers on an emotional journey, well unraveling the concealed melodies and profound impact resonating within each cautiously constructed phrase. Within the depths of the moving assessment, we can discover the book is central harmonies, analyze its enthralling publishing model, and submit ourselves to the profound resonance that echoes in the depths of readers souls.
