Midnight in Paris Eric Gardner, 2016-04-04 A street tale that takes place in the Nation s Capitol that will leave you wanting more MIDNIGHT IN PARIS SYNOPSIS MIDNIGHT After being away from the streets of D C for 17 years serving 13 of them at Lewisburg Federal Penitentiary Midnight finally returns He is subsequently given the reigns to a lucrative extortion and loan sharking business from his uncle Shortly after his uncle is mysteriously murdered by an unknown assailant While Midnight searches for his uncle s killer two attempts are made on his life as well Midnight begins a fight for his life in darkness of the unknown PARIS With a mother who hates her and a sexually abusive step father Paris is determined to get to college and away from the torment Paris meets a bad boy named Trey who sweeps her off of her feet but in the long run brings her more pain then she can stand After two close encounters with death she meets Midnight who seems to bring a great serenity to her life But nothing good ever lasts long and with every good comes some bad The serenity she thought she found with Midnight turned to death in a way that Paris could never these coming Will Paris love be enough to keep her alive or will it kill her where she stands THE KEY TO IT ALL With my eyes closed spinning unconscious thoughts in a land where nothing is impossible a time and place where if you die you re still alive Clocks don t exist and time isn t counted Dates are irrelevant What am I

Literature and Geography Emmanuelle Peraldo, 2016-01-14 In a period marked by the Spatial Turn time is not the main category of analysis any longer Space is It is now considered as a central metaphor and topos in literature and literary criticism has seized space as a new tool Similarly literature turns out to be an ideal field for geography This book examines the cross fertilization of geography and literature as disciplines languages and methodologies In the past two decades several methods of analysis focusing on the relationship and interconnectedness between literature and geography have flourished Literary cartography literary geography and geocriticism Westphal 2007 and Tally 2011 have their specificities but they all agree upon the omnipresence of space place and mapping at the core of analysis Other approaches like ecocriticism Buell 2001 and Garrard 2004 geopoetics White 1994 geography of literature Moretti 2000 studies of the inserted map Ljunberg 2012 and Pristnall and Cooper 2011 and narrative cartography have likewise drawn attention to space Literature and Geography The Writing of Space Throughout History following an international conference in Lyon bringing together literary academics geographers cartographers and architects in order to discuss literature and geography as two practices of space shows that literature along with geography is perfectly valid to account for space Suggestions are offered here from all disciplines on how to take into account representations and discourses since texts including literary ones have become increasingly present in the analysis of geographers Midnight in Paris , 1962

Focus On: 100 Most Popular French-language Films Wikipedia contributors, Five Nights in Paris John Baxter, 2015-04-14 An irresistible nighttime tour of Paris past and present by the bestselling author of The Most Beautiful Walk in the World Every guidebook to Paris is crammed with sites to see during the day but visitors are often cast adrift once

the sun sets and the Louvre Notre Dame and other tourist attractions shut their doors Sadly for those who have retreated into their hotel rooms it s only when darkness falls that the City of Light shines brightest Full of as many unexpected detours and delightful digressions as the city itself award winning author John Baxter s Five Nights in Paris is the ultimate off the beaten path guide to exploring the French capital after hours Baxter leads readers on five evening tours across Paris s great neighborhoods Each night s itinerary is selected for its connection to one of the five senses the first Sound explores the great jazz clubs of Saint Germain des Pr s Taste samples the eclectic restaurants and bakeries of the Marais Touch brings alive the city s legendary cabaret scene including Montmartre s nearby Moulin Rouge Smell describes Parisians love of perfume and takes us to the infamous former opium fumeries along the Bois de Boulogne and Sight traces the favorite haunts of the Surrealist artists beginning in Montparnasse

Flickers of Film Jason Sperb, 2015-12-15 Whether paying tribute to silent films in Hugo and The Artist or celebrating arcade games in Tron Legacy and Wreck It Ralph Hollywood suddenly seems to be experiencing a wave of intense nostalgia for outmoded technologies To what extent is that a sincere lament for modes of artistic production that have nearly vanished in an all digital era And to what extent is it simply a cynical marketing ploy built on the notion that nostalgia has always been one of Hollywood s top selling products In Flickers of Film Jason Sperb offers nuanced and unexpected answers to these questions examining the benefits of certain types of film nostalgia while also critiquing how Hollywood s nostalgic representations of old technologies obscure important aspects of their histories He interprets this affection for the prehistory and infancy of digital technologies in relation to an industry wide anxiety about how the digital has grown to dominate Hollywood pushing it into an uncertain creative and economic future Yet he also suggests that Hollywood s nostalgia for old technologies ignores the professionals who once employed them as well as the labor opportunities that have been lost through the computerization and outsourcing of film industry jobs Though it deals with nostalgia Flickers of Film is strikingly cutting edge one of the first studies to critically examine Pixar s role in the film industry cinematic representations of videogames and the economic effects of participatory culture As he takes in everything from Terminator Salvation to The Lego Movie Sperb helps us see what s distinct about this recent wave of self aware nostalgic films how Hollywood nostalgia today isn t what it used to be
