La Jeune Femme Et La Pornographie:

La jeune femme et la pornographie Roger Des Roches, 2007-02-28 Parce qu'elle va mourir bientôt parce que son corps transformé par la maladie ne lui permettra plus de donner ou de recevoir H l ne B d cide de s'offrir un inconnu suivi dans la rue dont elle ignore tout mais dont elle décide qu'il sera le légataire de ses derniers instants cet ultime amour elle adressera toute une série de portraits photographiques de films de récits de sa vie réels ou fantasmes cet amant irréal elle adressera toute la pornographie dont elle est capable pour montrer au seuil de la mort ce que la vie ose

La jeune femme et la pornographie Roger Des Roches, 1991-01-01 **The new pornographies** Victoria Best, Martin Crowley, 2021-06-15 The turn of the twenty first century has witnessed the striking advance of pornography into the Western cultural mainstream Symptomatic of this development has been the use by writers artists and film makers of the imagery and aesthetics of pornography in works which have often on this basis achieved considerable international success Amongst these artists are a number of French authors and directors such as Michel Houellebecq Catherine Breillat Virginie Despentes or Catherine Millet whose work has often been dismissed as trashy or exploitative but whose use of pornographic material may in fact be indicative of important contemporary concerns In this study of a very significant trend the authors explore how the reference to pornography encodes diverse political cultural and existential questions including relations between the sexes the collapse of avant garde politics gay sexualities in the time of AIDS the anti feminist backlash the relation to the body and illness the place of fantasy and the sexualisation of children It will be of interest to undergraduates graduates and researchers in the fields of French culture gender film and media studies

Malaise dans la sexualité - Le piège de la pornographie Michela Marzano, 2006-04-05 Images X porno soft porno hard sex toys aujourd'hui la pornographie fait chic branch ouvert d'esprit Rapandue et facile d'accès DVDs magazines chaînes télévisées Internet elle est devenue une représentation comme une autre de la sexualité l'une de laquelle chacun peut s'évaluer Alors que certains en font le bouc émissaire de tous les maux contemporains d'autres au contraire la défendent au nom de la liberté et du consentement individuels Mais contrairement au discours qui associe pornographie et liberté les images X constituent une contrainte en imposant un imaginaire normatif et réducteur de la sexualité En codifiant et normalisant une conduite sexuelle elles effacent la liberté de choix qu'elles prétendent engendrer Sans partir en croisade pour la répression Michela Marzano nous invite à comprendre le problème sa source qu'est ce réellement que la pornographie aujourd'hui Que représente elle Pourquoi excite t elle Pourquoi est elle de plus en plus violente

Les femmes, la pornographie, l'érotisme Marie-Françoise Hans, Gilles Lapouge, 1978 Textes d'interviews réalisées auprès d'environ 70 femmes de divers milieux concernant l'idée que la pornographie véhicule chez elles Sexualisation précoce et pornographie Richard Poulin, 2009 Après avoir analysé l'expansion de l'industrie de la pornographie ainsi que ses transformations tant dans sa production que dans sa consommation l'auteur met en évidence son influence dans les médias Il met ainsi en évidence l'une des tendances de fond de la pornographie actuelle l'infantilisation des femmes et la sexualisation

des enfants plus particulièrement des fillettes **1er Congrès national contre la pornographie**, 1905 **La tentation sacrée : masculin, féminin et une brève histoire de la pornographie** Maria Arnoldt Wilson, 2023-03-19

Le sexe est l'instinct humain le plus primitif et aussi une arme. Mais il y a toujours une tendance à le cacher sous la couette surtout s'il s'agit de sexualité féminine. Tout comme les gens ont appris à manger de la viande crue après l'avoir cuite, ils ont fait du sexe un art à travers la fantaisie, le style et le plaisir des sensations. Avoir des relations sexuelles s'est transformé en faire l'amour. Dans la transformation d'une structure sociale matriarcale primitive en une structure de pouvoir patriarcale, les femmes ont été largement démunies. Cette privation n'est pas seulement politique ou économique mais aussi mentale et physique. Par conséquent, la libération de la sexualité est nécessaire pour surmonter la discrimination entre les hommes et les femmes. Nous allons brièvement revenir sur ce parcours de la sexualité. Nous aimerions voir comment le pouvoir masculin a tracé comment il a entravé le développement psychologique des femmes et comment le sexe masculin peut être utilisé comme un moyen d'éliminer l'inégalité existante entre les hommes et les femmes. Les hommes peuvent courir comme un coq et descendre comme un canard. Il faut du temps à une femme pour bruler, il faut aussi du temps pour s'éteindre. Au fur et à mesure que les exigences des femmes en matière de sexe deviennent claires et que leurs rôles passifs ainsi que leurs rôles actifs dans le sexe apparaissent, le besoin de contrôler les femmes se faisait gâlement sentir. Alors que les rapports sexuels, la diversité des postures, l'orgasme, le désir et la réticence des femmes ont commencé à arriver, l'établissement de structures de contrôle comme la religion, la théologie, etc. a commencé à contrôler. Il s'avère que dans une société patriarcale, la seule chose faite des hommes a commencé à se produire dans le sexe. Même si le mâle conquiert la peur de son pénis en érection ou de l'éjaculation précoce, lui-même fait peur aux femmes. Alors vient le besoin de pornographie pour contrôler la sexualité féminine et l'orgasme féminin pour plier ses désirs selon le souhait du mâle. Le nom de *El Sartorio* ou *El Satario* argentin apparaît comme le plus ancien film pornographique. Dans ce film, l'union des hommes et des femmes a été montrée. Les caméras ont capturé diverses poses d'accouplement. Les experts affirment que ce film était le premier gros plan de parties intimes.

Ce dossier tiré pour partie du programme de recherche franco-allemand ProsCrim vise à clarifier la manière dont les politiques de lutte contre la traite des fins d'exploitation sexuelle se déclinent à partir de données empiriques. Il s'agit de proposer une analyse croisée des différents intermédiaires de l'action publique qui contribuent à faire exister la traite et à façonner les formes de régulation mises en œuvre pour y répondre : professionnels du juridique, acteurs sociaux mais aussi plus largement passeurs de frontières et experts de la traite. L'attention est accordée aux valeurs affectées de ces acteurs en interaction et aux circulations entre eux de savoirs et de pratiques, passant des traditionnels clivages entre acteurs publics privés, pressifs ou assistanciers. Esquisse ici les contours d'une construction collective de la traite comme problème social.

À un clic du pire Ovidie, 2019-11-22 T00:00:00+01:00

En dix ans, l'humanité a regardé l'équivalent de 12 millions d'années de vidéos pornographiques. 95 % de cette consommation passent par des sites de streaming gratuits détenus

par des compagnies offshore aux pratiques obscures Jamais l'accès au porno n'aura été aussi facile des millions de contenus piratés sont disponibles en permanence sans restriction d'âge sans aucune forme de contrôle quant à la violence des contenus diffusés La gratuité combinée à l'immédiateté du streaming fait de ces sites un moyen pris pour accéder aux images explicites tant par les adultes que par les mineurs C'est pourquoi nous devons nous approprier le sujet sans panique morale ni crainte de censure mais sans minimiser non plus l'influence de la pornoculture Il est temps pour nous tous d'en comprendre les rouages de connaître ses moyens de diffusion de la décoder et d'en valuer l'impact sur notre rapport au corps et à l'autre

Ovidie est née en 1980 Après une adolescence militante au sein de groupes féministes elle décide la fin des années 1990 de se revendiquer travailleuse du sexe et de développer un concept de pornographie féministe Après avoir réalisé une dizaine de films pour adultes elle se consacre aux documentaires et se spécialise dans les questions de corps et de sexualité Elle est aujourd'hui journaliste auteure mais aussi mère de famille

le texte pornographique en le rapportant des genres textuels dont on peut analyser les conditions d'apparition et le
fonctionnement Ayant présenté les caractéristiques de la critique pornographique il retrace son évolution depuis la Renaissance Il

This bilingual guide captures the range of documentation created in what historians refer to as the second wave of the
women's movement which emerged after 1960 in the context of widespread social and political change in Canada Included in
the guide are the records of women's groups formed or functioning after 1960 that are held in a variety of Canadian archives
or by the groups themselves This guide challenges perceptions of what is archival by focusing on contemporary movement
records which may be held to stimulate research on the contemporary Canadian women's movement and encourage more
widespread collection of these records by archival repositories With its user friendly approach to archival description the
guide seeks to reach an audience unfamiliar with traditional archives and raise awareness among women's groups and
activists of the archival value of their records *Le nouvel observateur*, 1975-07
