Coeur de Viking - L'insoumise du Viking Natacha J. Collins, 2023-11-01 Cœur de Viking Côtés d'Irlande 902 Aislinn maudit son père de guérissseuse cause de sa volonté soigner et apaiser elle a recueilli chez elle un Viking blessé après l'avoir découvert inconscient sur la plage Pourtant elle hait les Danois de toute son âme ils pillent son village depuis des années et lui ont arraché son ami d'enfance dix ans plus tôt Pourtant en dépit de tout bon sens elle se surprend à contempler un peu trop longtemps Rurik noter ses yeux bleus envoûtants et son corps de guerrier qui embrase le sien dès qu'ils se frôlent Est-elle réellement prête à risquer sa vie pour l'ennemi et surtout son cœur L'insoumise du Viking Suite de 908 Arrachée à sa Bretagne natale vendue comme esclave Klervie refuse de se soumettre quel que ce soit Et si elle doit tenir tête au jarl viking qui l'a achetée elle

ne hésitera pas le menacer et refuser toute avance. Qu'il importe si Dagan est aussi s'avisant qu'attention elle refuse de se fier et lui et cherchera toutes les occasions de s'enchapper. Mais pour aller où auprès de qui ? Elle n'a plus ni famille ni amis et ces terres enneigées sont bien inhospitalières. Cependant l'autre option serait d'avouer que son cœur se trouble de plus en plus pour un Viking et cela est hors de question.

Le dernier Viking Jérôme Lefort, 2025-09-10 Deux frères deux rois deux visions du monde l'un ne jure que par la guerre l'autre croit encore en la paix. Dans les terres gelées du nord où la loi se critique dans la violence et le sang leur affrontement semble inévitable. Cependant une mystérieuse guerrière aux cheveux blancs pourrait bien bouleverser leur destin. Amour haine honneur trahisons. Entrez dans l'univers impitoyable des Vikings.

PROPOS DE L'AUTEUR Après Aladdin l'orphelin du désert et Lancelot le prince maudit d'Excalibur Jérôme Lefort plonge avec ce troisième opus de la saga de Merlin dans l'univers brutal des Vikings. On y découvre enfin l'identité de l'homme qui hante les cauchemars de Lancelot. Un récit de rage et de splendeur où la plume de l'auteur coule avec autant de force que le sang de ses héros.

The Minorities of Cyprus Nicholas Coureas, Marina Elia, Andrekos Varnava, 2009-05-27 This book examines the various minorities living in the island of Cyprus from the early modern late Venetian and early Ottoman period down to the present day. It charts their history with special emphasis on their relations with the powers ruling Cyprus and with the two dominant Christian Greek and Muslim Turkish communities. The theme running through the book is that despite being significant members of Cyprus society the three historical minorities Maronites Armenians and Latins were only included in society to a certain extent by the two major communities. This was formalised in the post independence 1960 period when they were compelled to become members of either dominant community and thus they suffered internal exclusion by being regarded as religious sub groups of one of the two dominant communities rather than national minorities in their own right. Within this general context the social legal and political roles customs culture and language of the various minorities are examined as they evolved through time and in response to internal and external developments affecting Cyprus in the political economic and global spheres. They are discussed not as static entities but as evolving groups that have adapted with greater or lesser degrees of success to the radical and at times painful changes Cyprus has undergone especially over the last 150 years in all walks of life. Finally the question of what the future holds for the minorities of the island in the light of Cyprus EU membership and the prospect of reunification are also analysed. This book is a product of the conference Minorities of Cyprus Past Present and Future which was held on 24 and 25 November 2007 at the European University Cyprus.
