Partly based on the life of French anarchist Marius Jacob Lupin first appeared in print in 1905 as an answer to Sir Arthur Conan Doyle's Sherlock Holmes. Ars ne Lupin is the world's greatest thief, an unmatched force for good whose exploits threaten the wealth and standing of France's most wicked men. In this installment of Leblanc's beloved series, Lupin uses his remarkable wit and chameleon-like ability to move undetected through aristocratic society in order to steal, trick, and cheat his way through life. Despite his criminal nature, he operates under a strict moral code, only taking from those who have taken from the poor all their lives. Don Luis Perenna is a man with a mysterious past. Known only to his closest comrades by his real name, Perenna is none other than Ars ne Lupin, the gentleman thief. Named executor of the will of Cosmo Mornington, a wealthy philanthropist and a friend since the days of the Great War, Perenna is tasked with tracking down his many heirs. One by one, they begin to turn up dead, forcing the thief to join forces with the police in order to clear his name. *The Teeth of the Tiger* is a tale of romance, mystery, and crime that continues to astound over a century after it was published. With a beautifully designed cover and professionally typeset manuscript, this edition of Maurice Leblanc's *The Teeth of the Tiger* is a classic of French literature reimagined for modern readers.
