Les Guerres Dobama:

Critical Essays on Barack Obama Melvin B. Rahming, 2011-12-15 This collection of critical essays explores the life and writings of President Barack Obama. The individual essays written by a diverse body of scholars examine specific facets of Obama's career from personal communal national and international reactions to his presidential election to his controversial contributions to the global conversation about race his impact on popular culture and race relations his literary political and philosophical visions his attitude toward the American constitution his enactment of new legislation to the manner in which he attempts to influence American public policy and to the implications his presidency holds for Europe Africa and the Caribbean. Ranging far beyond the presentation of personal opinions about the Obama Administration these essays offer scholarly perspectives on Obama's two books and on his multidimensional efforts to remove the obstacles to equality of opportunity in the United States. They also explore Obama's potential for re-shaping the American social and cultural terrain and by extension for re-vitalizing the American Dream. This book should be of interest to scholars of political science literature history philosophy religion and psycho-culture as well as to the general reading public. *Barack Obama, l'Amérique nouvelle* Guillaume Serina, 2008-09-24 À chacune de ses apparitions Barack Obama 45 ans natif de l'Illinois suscite une meute digne d'une rock star. Il est vrai que c'est un candidat tout fait singulier par ses origines et son génie multiraciel kenyan et américain résident en Arkansas il est né à Hawaï et se prénomme aussi Hussein. Il ne s'est lancé en politique qu'en 1996. Charismatique et pragmatique il connaît une ascension fulgurante à la Kennedy. Ce livre s'attache à la construction de l'homme et du politique de Hawaï à Washington en passant par Chicago Harvard et le Kenya. Obama s'est rendu en 2007 à l'occasion d'un retour aux sources qui lui a beaucoup marqué. Comment la pensée du jeune candidat s'est-elle formée ? Quelle est sa stratégie pour gagner ? Qui sont ses lecteurs ? Quel est son rapport à l'histoire des Noirs américains ? Qui le critique et pourquoi ? Quelle a-t-il l'influence du Reverend Jeremy Wright son gourou ? En menant l'enquête dans le sillage de la campagne présidentielle d'Obama et en analysant ses discours et écrits Guillaume Serina raconte l'émergence d'un phénomène politique qui pourrait bien être le nouveau visage de l'Amérique. **Survival 59.6** The International Institute for Strategic Studies (IISS), 2023-04-21 Survival the bi-monthly publication from The International Institute for Strategic Studies is a leading forum for analysis and debate of international and strategic affairs.
