Lynn Ocean, 2014 Sherwood a recent college grad with an accounting degree is desperate for a job But she hates numbers and wants to do anything but accounting After moving to Virginia she applies for an activities job at the Great Wings retirement community even though her qualifications are nonexistent Against all logic the director hires Sherwood pending a week long trial period Jane Sullivan has a group of forty six seniors heading to Myrtle Beach South Carolina for bus tour and they need a group leader Sherwood happily accepts thinking that it will be like a free vacation After all she told the director seniors are no different than anyone else They're just older But Sherwood's visions of bliss vanish when she realizes she's in over her head Her group is demanding and crabby One of them goes missing And to complicate things the bus driver turns out to be a college study buddy who has lost the nerdy glasses and now looks totally hot in his uniform

Myrtle Beach Madness Lyn Ramage, 2014-09-12 The peacefulness that is usually December and January in Myrtle Beach the months when the locals take back their town is shattered by the discovery of a billionaire's trophy wife left for dead This sets off a chain of events that was put in motion decades before It also threatens the much anticipated social event of the season when Myrtle Beach's beloved Detective Neil Mac McGovern's long awaited walk down the aisle with Shanna Martinelli meets an unexpected roadblock he ends up behind bars for the victim's attempted murder Several other charges are pending The frenetic search for answers that will clear Mac and put an end to the ever growing list of victims makes this a fast paced sexy whodunit that will leave even the most discerning mystery lover satisfied **Fire & Ice** Nathan Birr, 2017-12-30 He's her anchor She's his compass But they're both in over their heads Jake and Rachel Taylor head to The Grand Strand hoping to rejuvenate their marriage But before they can get settled in Myrtle Beach a late night break in and the discovery of an enigmatic device plunge them into an international caper Beachside encounters with charming glamorous foreigners sightings of the Taylors doppelgangers around town and rumors of a secretive figure known as La Fant me all complicate matters further From a covert operation at a seaside mansion to a cat and mouse chase along the Myrtle Beach Boardwalk to a life or death struggle on the high seas Jake and Rachel try to stay one step ahead of danger As the Taylors get drawn deeper into the mystery they will have to rely on each other like never before if they much less their marriage are to remain intact *Fire Ice* is a combination of adventure intrigue and romance set in an exotic locale that will keep you guessing until the very end **The Insiders' Guide to Myrtle Beach and the Grand Strand** Kimberly Duncan Altman, Denise Mullen, 1995-06 *Banana Republic Revisited*, 1915-05-18 *Banana Republic Revisited* is a 10 year update of Will Moredock's

2003 book *Banana Republic A Year in the Heart of Myrtle Beach* timed to coincide with Myrtle Beach's 75th birthday celebration. It is a unique historical, political, and demographic profile of this dynamic, crazy southern beach town which has been called South Carolina on steroids. It is a popular read but has been used as assigned reading in urban planning classes in at least two S.C. universities. A fascinating study of life in the modern South, good writing and research, and a good fun read.

**Life is a Beach** Parke Puterbaugh, Alan Bisbort, 1986      **Providence of Mercy** J. Butler Cox, 2012-01-15  
Jeremiah Townsend didn't ask for the gift of healing. When he's called upon to save a dying criminal, the life he knows is forever wrenched from him, and his choices are called into question by a world that seeks to exploit his talents. As his own life collapses into chaos, a new threat emerges in the form of a doomsday cult with a frighteningly lethal weapon. Trying to come to grips with his own mistakes and betrayals, Jeremiah struggles to save his wife and unborn child. Can he heal the emptiness in his own soul in time to save a world which feeds off his pain? Will he finally be able to choose who must live and who in the end must die?

**Bars, Blues, and Booze** Emily D. Edwards, 2016-04-27  
Bars, Blues, and Booze collects lively bar tales from the intersection of black and white musical cultures in the South. Many of these stories do not seem dignified, decent, or filled with uplifting euphoria, but they are real narratives of people who worked hard with their hands during the week to celebrate the weekend with music and mind-altering substances. These are stories of musicians who may not be famous celebrities but are men and women deeply occupied with their craft, professional musicians stuck with a day job. The collection also includes stories from fans and bar owners, people vital to shaping a local music scene. The stories explore the crossroads, that intoxicated intersection of spirituality, race, and music that forms a rich southern vernacular. In personal narratives, musicians and partygoers relate tales of narrow escape, almost getting busted by the law while transporting moonshine, of desperate poverty, rat-infested kitchens, and repossessed cars, of magic, hiring a root doctor to make a charm, and loss, death, or incarceration. Here are stories of defiant miscegenation, of forgetting race and going out to eat together after a jam, and then not being served. Assorted boasts of improbable hijinks give the blue-collar musician a wild, gritty glamour and emphasize the riotous freedom of their fans, who sometimes risk the strong arm of southern liquor laws in order to chase the good times.

**Sombreros and Motorcycles in a Newer South** P. Nicole King, 2012-02-15  
In 1949, Alan Schafer opened South of the Border, a beer stand located on bucolic farmland in Dillon County, South Carolina, near the border separating North and South Carolina. Even at its beginning, the stand catered to those interested in Mexican-themed kitsch: sombreros, toy pinatas, vividly colored panchos, salsas. Within five years, the beer stand had grown into a restaurant, then a series of restaurants, and then a theme park complete with gas stations, motels, a miniature golf course, and an adult video shop. Flashy billboards featuring South of the Border's stereotypical bandit Pedro advertised the locale from 175 miles away. An hour south of Schafer's site lies the Grand Strand region, sixty miles of South Carolina beaches and various forms of recreation. Within this region, Atlantic Beach exists. From the 1940s onward, Atlantic Beach has been a primary tourist destination for middle-class African

Americans as it was one of the few recreational beaches open to them in the region Since the 1990s the beach has been home to the Atlantic Beach Bikefest a motorcycle festival event that draws upward of 10 000 African Americans and other tourists annually *Sombreros and Motorcycles in a Newer South* studies both locales separately and together to illustrate how they serve as lens for viewing the historical social and aesthetic aspects embedded in a place s culture over time In doing so author Nicole King engages with concepts of the Newer South the contemporary era of southern culture which integrates Old South and New South history and ideas about issues such as race taste and regional authenticity Tracing South Carolina s tourism industry through these locales King analyzes the collision of southern identity and place with national corporatized culture from the 1940s onward *Sombreros and Motorcycles in a Newer South* locates campy but historic tourist sites that serve as important texts for better understanding how culture moves and more inclusive notions of what it means to be southern today
