Joe McGinniss,2016-08-02 Following the breakout success of his searing debut novel The Delivery Man Joe McGinniss Jr returns with Carousel Court a bold original and exhilarating novel of marriage as blood sport that reads like Revolutionary Road for the era of The Unwinding Nick and Phoebe Maguire a young couple with big dreams move across the country to Southern California in search of a fresh start for themselves and their infant son following a devastating trauma But they move at the worst possible time into an economic crisis that spares few Instead of landing in a beachside property strolling the organic food aisles and selecting private preschools Nick and Phoebe find themselves living in the dark heart of foreclosure alley surrounded by neighbours being drowned by their underwater homes who set fire to their belongings flee in the dead of night and eye one another with suspicion while keeping twelve gauge shotguns by their beds Trapped broke and increasingly desperate Nick and Phoebe each devise their own plan to claw their way back into the middle class and beyond Hatched under one roof their two separate secret agendas will collide in spectacular fashion A blistering and unforgettable vision of the way we live now Carousel Court paints a darkly honest portrait of modern marriage while also capturing the middle class America of vanished jobs abandoned homes psychotropic cure-alls infidelity via iPhone and ruthless choices As bestselling author Walter Kirn says This scathing novel of our strange new century is like nothing else I've read in years

Agnew,2012-02-29 When journalist Paddy Agnew and his girlfriend Dymphna touched down in Rome in 1985 in search of adventure sunshine and the soul of Italian football well Paddy was looking for that they were travelling into the uncharted terrain of a country they did not know and a language they did not speak It soon became clear that neither Italy nor Italian football would be boring In that first week in Italy Michel Platini and Juventus won the Intercontinental Cup whilst just days later the PLO killed 13 people in a random shooting at Rome's Fiumicino airport Paddy covered both stories The coming years saw the rise of TV tycoon Silvio Berlusconi as he became owner of AC Milan and then Prime Minister of Italy naming his political party Forza Italia after a football chant In that same period Argentine Diego Maradona became the uncrowned

King of Naples leading Napoli to a first ever Scudetto title in 1987 notwithstanding a hectic Hollywood esque lifestyle that mixed footballing genius with off the field excess Forza Italia is a fascinating tale of inspired players skilled coaches rich tycoons glitzy media coverage Mafia corruption allegations of drug taking and fan power culminating in the 2006 World Cup victory that delighted a nation and a match fixing scandal that shocked the world It is also a personalised reflection on the consistent and continuing excellence of Italian football throughout a period of huge social political and economic upheaval offering a unique insight into a society where football has always been much more than just a game Visión fatal Joe McGinniss,1997
