Wanklyn James Hibbert Wanklyn,1897 Lessons from the Old Testament. Senior Course M. G. Glazebrook,1892 **Prayers of Power** Mark Doss,Amy Jo Wrobel,2023-01-10 Prayers of Power invites us to enter into a journey through the Bible to meet people whose positions as leaders of sheep people or nations became empowered through the humility of praying to the God of all wisdom and strength History has revealed to us that many in positions of authority choose to use their power for good leaving the world a better place than they found it However some have become infamous for abusing their mastery over others as a tool of destruction to accomplish evil purposes The forty days of this journal will highlight prayers from great leaders kings and prophets in the Old Testament to our Lord Jesus Christ His Apostles and others who sometimes are left without names in the New Testament We will discover the prayers of people who knew that their strength and power lay in the simple act of worship through prayer These powerful prayers will encourage your prayer journey helping you find and experience the power of our great God as you walk this pilgrim s journey doing good and glorifying God Whether you see yourself in a position of power or as a humble servant you will gain practical insights and encouragement as you learn from others in Scripture Through their adversities and victories they overcame with sustainability that only comes from on high Be encouraged and built up fellow sojourner as you walk the path through Prayers of Power We hope it will be a journey that will renew your strength and refresh your relationship with your Savior
