Mazel Tov J. S. Margot, 2021-02-23 A heartwarming funny and provocative memoir of a woman navigating clashing cultures during her decades long friendship with an Orthodox Jewish family new in paperback When 20 year old student J S Margot took a tutoring job in 1987 little did she know it would open up an entire world In the family s Orthodox Jewish household she would encounter endless rules never come on a Friday never shake hands with a man and quirks she had not seen before tiny tubes on the doorposts separate fridges for meat and dairy products Her initial response was puzzlement and occasionally anger but as she taught the children and fiercely debated with the family she also began to learn from them Full of funny misunderstandings and unexpected connections Mazel Tov is a heartwarming provocative and disarmingly honest memoir of clashing cultures and unusual friendships and of how where adults build walls sometimes only children can dissolve them

Chasing Her Shadow Vlad Birsan, 2025-03-21 Chasing Her Shadow was born one night from a thought that bothered me It was way past midnight and I had other things to do I was at work in the middle of the night shift and my mind was somewhere else I was struck by the idea of a small or big event that could shift our perception about time and how this could lead to significant changes into someone s life The next morning instead of going to sleep as I should have done I lit up a cigarette and started typing and I didn t finish until the first chapter was done This book is divided into two parts In the first part I m telling you the story of Colt who faces a big event that makes him lose his perception about time Something happens with him and that something nearly costs him his life You ll have to find out what Then in the second part you ll find out the aftermath of the event from the first part The book is also about love adventure friendship and trust And the most important thing living life guided by one single phrase Le vent nous portera
