L'histoire De La Passion De Jeacutesuschrist:

Histoire de la passion de Jésus-Christ Olivier Maillard, 2000 Le P Olivier Maillard 1430 1502 appartenait l'ordre franciscain Il y remplit des tâches importantes et fut même commis diverses missions diplomatiques auprès du roi Henri III Il est connu surtout par les spécialistes de l'histoire de la prédication en France dans la deuxième moitié du XVI^e siècle l'époque des guerres de religion C'était un prédicateur très populaire capable de susciter des motions fortes par une parole vivante dramatique prof ratrice Malheureusement ses sermons qui étaient prononcés en langue vulgaire ne sont connus pour la plupart que par des résumés en latin complètement dénués du pathos originel L'Histoire de la Passion de Jésus Christ dont nous reproduisons l'édition établie par Gabriel Peignot en 1835 fait partie des rares opuscules spirituels composés en français par le prédicateur C'est dans une langue verte et qui touche le lecteur fidèle la trame veng lique des dernières heures de la vie du Christ L'auteur y insère des éléments ou considérations extra canoniques et souvent marqués de subjectivité personnelle qui font de ce petit chef d'œuvre un témoignage très affectif de la lecture du texte sacré Le tempérament fortement motivé du franciscain pousse la narration traditionnelle aux confins poétiques de la prose pique et doloriste d'inspiration chrétienne **The Sacred Passion** Luis de la Palma, 2004 Fr Luis de la Palma's The Passion book which has been continuously published for four hundred years provides an aid for meditating on the Passion He recreates the events of Jesus' life beginning with Holy Thursday and concluding with the burial of Our Lord and a powerful evocation of the coming resurrection It was given to many young men and women by St Josemaria to stir up their hearts and lead them to greater prayer With vivid detail and a constant recognition of the role the Blessed Mother played in those days Fr de la Palma's The Sacred Passion helps the reader enter into the Last Supper the institution of the priesthood and the Eucharist the arrest of Our Lord the denial of St Peter the trials before Caiaphas and Pilate the scourging and mocking and finally the Crucifixion His meditations hew closely to the Gospel accounts adding to them insights from other scriptures and frequently culminating in fervent prayers to Our Lord and Our Lady Fr Luis de la Palma's The Sacred Passion emphasizes that through it all Jesus was offering Himself to the Father of His own free will for the salvation of the world This book is a striking reminder of the immensity of that offering of love **Histoire de la passion de Notre-Seigneur Jésus-Christ** Luis de la Palma, 1904 *Histoire de la passion de Jésus-Christ, publ. avec une notice, des notes par G. Peignot* Olivier Maillard, 1835 **The History of the Sacred Passion (new Edition with Enhanced Text)** Luis de la Palma, 2019-04-02 The History of the Sacred Passion also known as The Sacred Passion by Luis de la Palma Spain 1559 1641 was first published in 1624 in Spain and has been a steady and continuous resource in the 400 years since It is one of the most influential theological yet accessible explorations of Our Lord's suffering and death and guides the reader into a historical spiritual and at the same time practical contemplation of the week leading up to Jesus Christ's crucifixion death and burial This edition presents de la Palma's classic work for the first time in a clear and accurately edited format in English Using various enhancements it brings it closer to the 21st century

reader by making its narrative easier to read and follow but without changing the excellent and enduring 1872 english translation by Henry Coleridge For example latin texts have been maintained and presented in such a way that they are unobtrusive and allow the reader to more easily advance and effectively follow the overall narrative latin texts originally without english translation or whose meaning cannot be directly discerned from the contextual english text have been translated with the english translation presented between curly brackets various english words have been shown in a more relatable spelling where the original might today be confusing the chapters have been conveniently separated into sub chapters with headings following La Palma s original to facilitate a more comfortable reading praise for La Palma s work has been sourced from the 17th century through to the 20th and presented in the early pages typography and layout have been carefully designed such that reading is easier and comfortable on the eye and so on Where the original latin text is a scriptural quote the Douay Rheims bible version english translation has been used It is hoped that the reader reap the many benefits that this classic work of a wholly accessible Christian theology so engrossingly offers a significant reason why La Palma s book has remained doggedly relevant to this day
