A Stranger Among Us D.E. Wilkie, 2015-07-07 In *A Stranger Among Us* Mr Wilkie fearlessly confronts everything that most of us don't know or understand about sexual addiction Whether this is your battle or you have a loved one struggling with it the author provides an honest in depth first hand account that is both professional and personal In an era when addiction is a societal epidemic here is an author who is not only prepared but equipped to throw out a lifeline For not only does he bravely share his own personal struggles he also provides insightful recommendations from countless therapists and other professionals in the field Sex addicts need to read this book in order to discover the tools that will free them from the bondage of addiction and offer the hope needed to escape isolation Friends relatives and co workers of a sex addict need to read the book in order to be empowered with constructive ways to help and offer love and support without judgment or condemnation Jo Ann Schultz Early on in his book Mr Wilkie writes It is not what we do that determines who we are it is who we are that determines what we do It has been my privilege to watch Mr Wilkie on this very difficult spiritual journey of recovery and discovery Even though I have not battled with sexual addiction the universal principles that he lays out in the book have opened the door to new discoveries and have enabled me to recognize that real change happens from the inside out The depth of one's true identity will surface from this must read

Corrina L Fischer Irrespective of people's opinions on addiction Mr Wilkie explains sexual addiction from both a personal and professional perspective His holistic

approach simultaneously addresses the body soul and spirit and gives a refreshing insight to the incredible raw journey of a sex addict and their need for a power greater than themselves He provides many helpful resources including a workbook section which allows the reader to work through the recovery principles he describes throughout the book Didier Milliquet

Freedom from Addiction Neil T. Anderson, Mike Quarles, Julia Quarles, 1996-06-17 Many Christians are locked in a cycle of addiction particularly in the areas of alcohol and drug abuse Many have turned to 12 Step programs for help But where is the incredible power of Christ in this process In a positive non condemning way Anderson provides an alternative model of recovery for substance and alcohol abusers a model that will also work for individuals struggling with other kinds of addictions The first half of *Freedom from Addictions* tells the unbelievable story of Mike and Julia Quarles and how Mike overcame a debilitating addiction to alcohol He achieved success by applying the principles that make up the central theme of Dr Anderson's message that we are saints according to God's word Eph 1 and that true freedom comes from realizing our identity in Christ

The Truth About Lies Aja Raden, 2025-10-16 Why do you believe what you believe You've been lied to Probably a lot We're always stunned when we realize we've been deceived We can't believe we were fooled What was I thinking How could I have believed that We always wonder why we believed the lie But have you ever wondered why you believe the truth People tell you the truth all the time and you believe them and if at some later point you're confronted with evidence that the story you believed was indeed true you never wonder why you believed it in the first place In this incisive and insightful taxonomy of lies and liars New York Times bestselling author Aja Raden makes the surprising claim that maybe you should Butressed by history psychology and science *The Truth About Lies* is both an eye opening primer on con artistry from pyramid schemes to shell games forgery to hoaxes and also a telescopic view of society through the mechanics of belief why we lie why we believe and how if at all the acts differ Through wild tales of cons and marks Raden examines not only how lies actually work but also why they work from the evolutionary function of deception to what it reveals about our own In her previous book *Stoned* Raden asked What makes a thing valuable In *The Truth About Lies* she asks What makes a thing real With cutting wit and a deft touch Raden untangles the relationship of truth to lie belief to faith and deception to propaganda *The Truth About Lies* will change everything you thought you knew about what you know and whether you ever really know it
