Life Force The World Of Jainism:

Life Force Michael Tobias,1991 Outside India little is known of Jainism one of the oldest religions in the world a gentle faith whose ancient precepts have always nurtured an ecological way of life and which numbers today nearly ten million adherents At the root of Jainism s compassionate philosophy is the practice of ahimsa meaning non violence an approach to the world that greatly influenced Mahatma Gandhi Today with the earth s environment and everyone of its species under constant siege Jainism has more of a role to play than ever before In this accessible and thought provoking portrait of a religion the Jain antidotes to human violence and environmental abuse come elegantly and persuasively to light

Sourcebook of the World's Religions Joel Beversluis,2011-02-08 Now in its third edition this is the most comprehensive work available on the rich variety of paths available to today s spiritual seekers More than an academic reference it explores how religions can collaborate to help the world Essays exploring the realm of building an interfaith community add to the book s detailed portraits of the major religious traditions The Sourcebook also contains essays on spiritual practices as diverse as theosophy wicca and indigenous religions This revised edition of the Sourcebook offers an unparalleled look at where spirituality is headed in the coming millennium

When Worlds Converge Clifford N. Matthews,Mary Evelyn Tucker,Philip Hefner,2002 In this book over 30 prominent scientists theologians and philosophers explore three main convergences the convergence of different sciences to give a coherent story of mankind religious convergence whereby different traditions work together toward global harmony and the convergence of science and religion

Jainism for a New World Order Siddheshwar Rameshwar Bhatt,2021-01-04 This book analyses global issues holistically and offers pragmatic solutions from a Jainism perspective Accordingly it presents a fresh vision of individual development social transformation and cosmic wellbeing based on the central tenets and practices of Jainism Through this book readers learn viable solutions to the current problems of environmental disharmony economical distress and religious and cultural conflicts It deals with religious pluralism and brings to fore the need for harmony of religions and interfaith dialogues The book is interesting for people from varied walks of life who are looking forward to a world that is established in peace harmony and wellness It is of immense value and interest for people from all walks of life to the Jain community to revisit the basic tenets propounded in classical literature

Christianity Among the Religions of the World Carlos G. Martin,2007-06-15 This work examines the religions of the world from the particular perspective of Christianity It aims to accomplish a dual goal 1 to provide an introductory review of the historical development of the religions of the world and a description of their belief systems and 2 to explore avenues for an effective Christian witnessing among those who follow them Christianity Among the Religions of the World is appropriate for students and educators in Christian colleges universities and seminaries

Jainism Agustin Panikar,2010-01-01 Jainism is a tradition which dates back thousands of years which is unbelievably rich and profound and which has certain unmistakable signs of identity Contrary to what some

might think it is not in any sense a poor relation of Buddhism nor is a strange atheistic and ascetic sect within Hinduism Jainism is above all the religion of non violence ahimsa an ideal which all other religions of India were subsequently to make theirs and which was made universal by Gandhi in the 20th century Like Buddhism Jainism is a religion without God which paradoxically opens to the truly sacred in the deepest reaches of all living beings in the cosmos And it is also the religion of non absolutism anekantavada a particular form of philosophical pluralism which seems astonishingly modern [A Sourcebook for Earth's Community of Religions](#) Joel Diederik Beversluis,1995 Sourcebook of resource information about different religions including their origins and beliefs **World Faiths Encounter** ,1992 [Jainism in a Global Perspective](#) Sāgaramala Jaina,Śrīprakāśa Pāṇḍeya,1998 Seminar papers *Indian Ethics* Purushottama Bilimoria,Joseph Prabhu,Renuka Sharma,2017-03-02 Indian ethics is one of the great traditions of moral thought in world philosophy whose insights have influenced thinkers in early Greece Europe Asia and the New World This is the first such systematic study of the spectrum of moral reflections from India engaging a critical cross cultural perspective and attending to modern secular sensibilities The volume explores the scope and limits of Indian ethical thinking reflecting on the interpretation and application of its teachings and practices in the comparative and contemporary contexts The chapters chart orthodox and heterodox debates from early classical Hindu texts to Buddhist Jaina Yoga and Gandhian ethics The range of issues includes life values and virtues karma and dharma evil and suffering renunciation and enlightenment and extends to questions of human rights and justice ecology and animal ethics nonviolence and democracy Ramifications for rethinking ethics in a postmodern and global era are also explored Indian Ethics offers an invaluable resource for students of philosophy religion human sciences and cultural studies and to those interested in South Asian responses to moral dilemmas in the postcolonial era

Experiencing the World's Religions Michael Molloy,2008 Provides an account of religion as a diverse lived experience by peoples around the world This book conveys the vitality and richness of the world s religions as a living cultural wellspring that concerns systems of belief and how those beliefs are expressed in ceremonies food clothing art architecture pilgrimage scripture and music *Jain Doctrine and Practice* Joseph T. Jainism Jeffery D. Long,2013-03-22 Jainism evokes images of monks wearing face masks to protect insects and mico organisms from being inhaled Or of Jains sweeping the ground in front of them to ensure that living creatures are not inadvertently crushed a practice of non violence so radical as to defy easy comprehension Yet for all its apparent exoticism Jainism is still little understood in the West What is this mysterious philosophy which originated in the 6th century BCE whose absolute requirement is vegetarianism and which now commands a following of four million adherents both in its native India and diaspora communities across the globe In his welcome new treatment of the Jain religion Long makes an

ancient tradition fully intelligible to the modern reader Plunging back more than two and a half millennia to the plains of northern India and the life of a prince who much like the Buddha gave up a life of luxury to pursue enlightenment Long traces the history of the Jain community from founding sage Mahavira to the present day He explores asceticism worship the life of the Jain layperson relations between Jainism and other Indic traditions the Jain philosophy of relativity and the implications of Jain ideals for the contemporary world The book presents Jainism in a way that is authentic and engaging to specialists and non specialists alike *The Spiritual Heritage of the Human Race* Suheil Bushrui,Mehrdad Massoudi,2010 From the spiritual traditions of the first peoples and the ancient civilizations of Egypt Greece and Mesoamerica to the beliefs and practices of today s world faiths this illustrated and accessible introduction to the world s religions reveals the rich tapestry of religious life around the world and down the ages humanity s spiritual heritage **Nature's Keepers** Michael Tobias,1998-10-02 Covers the endangered status of various plants and animals and efforts to combat smuggling poaching and illegal trophy hunting Discusses law enforcement and education issues **Religions of the World: D-J** ,2002 Publisher Description *Jainism in America* Bhuvanendra Kumar,1996

Embracing the Track of Phrase: An Emotional Symphony within **Life Force The World Of Jainism**

In a world eaten by monitors and the ceaseless chatter of fast conversation, the melodic splendor and psychological symphony created by the published word often diminish in to the back ground, eclipsed by the constant noise and disturbances that permeate our lives. However, set within the pages of **Life Force The World Of Jainism** a charming fictional prize full of natural feelings, lies an immersive symphony waiting to be embraced. Constructed by an elegant composer of language, this interesting masterpiece conducts readers on a mental trip, well unraveling the concealed songs and profound impact resonating within each cautiously crafted phrase. Within the depths of the poignant evaluation, we shall discover the book is main harmonies, analyze its enthralling writing style, and submit ourselves to the profound resonance that echoes in the depths of readers souls.
