*Lucretia Borgia* Ferdinand Gregorovius, 2013-04-25 Lucretia Borgia is the most unfortunate woman in modern history Is this because she was guilty of the most hideous crimes or is it simply because she has been unjustly condemned by the world to bear its curse The question has never been answered Mankind is ever ready to discover the personification of human virtues and human vices in certain typical characters found in history and fable The Borgias will never cease to fascinate the historian and the psychologist An intelligent friend of mine once asked me why it was that everything about Alexander VI César and Lucretia Borgia every little fact regarding their lives every newly discovered letter of any of them aroused our interest much more than did anything similar concerning other and vastly more important historic characters I know of no better explanation than the following the Borgias had for background the Christian Church they made their first appearance issuing from it they used it for their advancement and the sharp contrast of their conduct with the holy state makes them appear altogether fiendish The Borgias are a satire on a great form or phase of religion debasing and destroying it They

stand on high pedestals and from their presence radiates the light of the Christian ideal In this form we behold and recognize them We view their acts through a medium which is permeated with religious ideas Without this and placed on a purely secular stage the Borgias would have fallen into a position much less conspicuous than that of many other men and would soon have ceased to be anything more than representatives of a large species

**Lucretia Borgia** Ferdinand Gregorovius,2015-07-05 Excerpt from *Lucretia Borgia According to Original Documents and Correspondence of Her Day* My honored Duke I am induced to dedicate this work to you by the historical circumstances of which it treats and also by personal considerations In it you will behold the founders of your ancient and illustrious family

The Borgias were mortal enemies of the Gaetani who narrowly escaped the fate prepared for them by Alexander VI and his terrible son Beautiful Sermoneta and all the great fiefs in the Maremma fell into the maw of the Borgias and your ancestors either found death at their hands or were driven into exile Donna Lucretia became mistress of Sermoneta and eventually her son Rodrigo of Aragon inherited the estates of the Gaetani Centuries have passed and a beautiful and unfortunate woman may be forgiven for this confiscation of the appanages of your house Moreover it was not long before your family was reinstated in its rights by a bull of Julius II which is now preserved a precious jewel in your family archives To your house has descended the fame of its founders but to yourself is due the position which the Gaetani now again enjoy The survival of historical tradition in things and men exercises an indescribable charm on every student of civilization About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books Find more at [www.forgottenbooks.com](http://www.forgottenbooks.com) This book is a reproduction of an important historical work Forgotten Books uses state of the art technology to digitally reconstruct the work preserving the original format whilst repairing imperfections present in the aged copy In rare cases an imperfection in the original such as a blemish or missing page may be replicated in our edition We do however repair the vast majority of imperfections successfully any imperfections that remain are intentionally left to preserve the state of such historical works
