Some Kind of Love Story Arthur Miller, 1983 THE STORY Angela a hard bitten call girl is visited by Tom a private detective of long acquaintance who is convinced that she can supply information about a murder case which some years earlier resulted in a miscarriage of justice As Tom plays on their former closeness trying to draw out the facts he seeks Angela withdraws behind a schizophrenic screen of multiple personalities ranging from a brazen creature named Leontyne to a shrinking violet called Emily to a haughty English woman named Renata Doggedly persistent Tom does in the end break through the fears which have driven Angela to hide the truth within herself With chilling intensity she pours through a tale of duplicity and corruption and recounts how an innocent man ended up paying for the crimes of others As the play ends Tom offers to drive Angela to her next assignation relieved that his quest has ended but at the same time disturbed by the knowledge that his worst fears have been borne out

Medieval Themes and Forms in A la Recherche Du Temps Perdu Mary Helen Clark Becker, 1973 The Love Story of Missy Carmichael

Beth Morrey, 2021-03-02 For readers of Eleanor Oliphant Is Completely Fine and A Man Called Ove a life affirming deeply moving coming of old story a celebration of how ordinary days are made extraordinary through friendship family and the power of forgiving yourself at any age At a time when people are having to isolate this novel is a balm offering an expansive sense of love and possibility when the main characters feel like those chances are gone Christian Science Monitor Missy

Carmichael's life has become small. Grieving for a family she has lost or lost touch with, she's haunted by the echoes of her footsteps in her empty home, the sound of the radio in the dark, the tick tick tick of the watching clock. Spiky and defensive, Missy knows that her loneliness is all her own fault. She deserves no more than this, not after what she's done. But a chance encounter in the park with two very different women and one lovable dog opens the door to something new. Another life beckons for Missy if only she can be brave enough to grasp the opportunity. But seventy-nine is too late for a second chance. Isn't it?

The Love of Centuries The Supreme Master Ching Hai, 2011-01-01 Poetry is an artistic stylistic expression and reflection of the spirit. Wu Tzu's poems transcend the preconceived thinking of worldly people just like a pure lotus amidst the dusty world, a radiant lighthouse in the stormy sea and a rainbow across a dark, cloudy sky. The style of Wu Tzu's poetry is sometimes soft and gentle as a slow flowing stream or sometimes vibrant and forceful as a thousand horses racing. Her verses are imbued with graceful and otherworldly qualities. When expressed in the poet's simple conversational words, these verses often belie their profound meanings and pure lyrical beauty. With a refreshing choice of words and harmonious rhythms in her poems, the poet has created a beautiful ethereal world as well as a poetic style that is at once romantic and splendid. Above all, these poems seem to have been created with total spontaneity and yet their effect is total enchantment. Novels and Tales: Henrietta Temple, a love story Benjamin Disraeli, 1927

Second Inning: Rewriting Your Love Story Selvi Mohanraj, What happens when love doesn't last forever? When a marriage ends, when a partner leaves or when life itself takes someone away, is that the end of your story or the beginning of another? Second Inning is a heartfelt exploration of love, loss, and the courage to begin again. Through moving client stories, soulful reflections, and practical exercises, this book guides you through the tender journey of second chances. It speaks to those grieving divorce, those healing after separation, and those daring to love again after heartbreak or death. Inside, you'll discover how men and women process separation differently, how to release guilt when starting over, and how to consciously balance the masculine and feminine energies within you. Beyond healing, you'll also learn the art of manifestation, how to align your thoughts, energy, and intentions to attract healthier love and create the relationships you truly deserve. You will get guided self-reflection exercises and gentle journaling prompts designed to help you pause, process, and rewrite your love story in your own words. These practices give you not just insights but tools to rebuild yourself with clarity and confidence. Written in simple, compassionate language, Second Inning is more than a book about relationships; it is a guide for the soul. It reminds you that you are never too old, too broken, or too late to love again. If the first inning of your love story was about innocence and discovery, the second inning is about wisdom, balance, and conscious choice. Whether you are standing in the ruins of heartbreak or quietly wondering if love has another chapter for you, Second Inning will give you hope, courage, and practical steps to step forward. Because love doesn't end, it transforms. And sometimes the second inning is where the real story begins.
