Lady Audley S Secret:

Lady Audley's Secret M. E. Braddon, 2023-07-11 *Lady Audley's Secret* was the most successful of a long series of novels written by Mary Elizabeth Braddon in what was then called the sensation genre because of the inventive and slightly scandalous plots of such works Published in 1862 *Lady Audley's Secret* was immediately popular and is said to have made a fortune for its author It has never been out of print and has been the basis for a number of dramas and movies The novel begins with the return from the Australian goldfields of ex dragoon George Talboys Three years earlier in the depths of poverty he had abandoned his young wife and their baby in order to seek his fortune He returns to England having made that fortune by finding a huge gold nugget He enlists the help of his friend Robert Audley a rather idle young barrister to seek out his wife To George's dismay and overwhelming grief however he sees a newspaper notice of the death of his wife only a few days prior to his return A year later when visiting Audley's relatives and after catching a glimpse of the pretty new wife of Robert's uncle George goes missing Robert becomes increasingly convinced that his friend has met with violence and is dead and begins to investigate What he discovers fills him with despair

Lady Audley's Secret Mary Elizabeth Braddon, 2003-08-19 *Lady Audley's Secret* 1862 was one of the most widely read novels in the Victorian period The novel exemplifies sensation fiction in featuring a beautiful criminal heroine an amateur detective blackmail arson violence and plenty of suspenseful action To its contemporary readers it also offered the thrill of uncovering blackmail and criminal violence within the homes of the upper class The novel makes trenchant critiques of Victorian gender roles and social stereotypes and it creates significant sympathy for the heroine despite her criminal acts as she suffers from the injustices of the marriage market and rebels against them This Broadview edition includes a critical introduction and a broad selection of primary source material including reproductions of the twenty two woodcut illustrations from the London Journal serialization of the novel extracts from two Victorian dramatizations of the work satirical commentaries and contemporary reviews

Lady Audley's Secret Mary Braddon, 2021-01-29. The novel begins with a description of Audley Court, an old and picturesque house in the county of Essex in England. It is the home of Sir Michael Audley, his daughter Alicia, and his second wife. Sir Michael is a baronet who has married for a second time at age 55, seventeen years after the death of his first wife. The woman he married is named Lucy Graham. Prior to her marriage, the wife of the village surgeon, Mrs. Dawson, had employed her; she had acted as a governess to Mrs. Dawson's daughters. Lucy is very beautiful and charms everyone she meets. After seeing her at church, Sir Michael fell very strongly in love. When Sir Michael proposed, Lucy gave a strange speech about how she could not be expected to resist the offer he was making and then accepted his proposal. A number of small details suggest that Lucy may have been hiding a secret, possibly related to a child or a previous marriage. Meanwhile, George Talboys is onboard a ship sailing from Sydney, Australia, to Liverpool, England. George is returning to his wife after three and a half years. George had been a soldier stationed at a seaport town when he met his future wife. Her father was poor and had a drinking problem and hoped to marry his daughter to a wealthy military man. George fell in love and married her, but although he came from a wealthy family, he was disowned when his father learned that he had married a girl without a fortune. George tried unsuccessfully to find work, with the situation growing more desperate now that his wife had given birth to a son. He and his wife argued about money, and he left the house so upset that he considered committing suicide. Instead, he overheard a conversation about the Australian goldfields and decided to secretly travel to Australia to make money and then return. He left a short note for his wife explaining his plan and departed. After much suffering in Australia, he discovered a large gold deposit that earned him a large sum of money. He is now returning to his wife. During his absence, he only sent her one letter in which he told her he was returning and provided her with the address she could use to contact him.
