The Woman Citizen ,1923 Amritsar, a Study in Urban History, 1840-1947 Anand Gauba,1988 **Urban Legends of the New Testament** David A. Croteau,2015-08 Urban Legends of the New Testament surveys forty of the most commonly misinterpreted passages in the New Testament These urban legends often arise because interpreters neglect a passage s context misuse historical background information or misunderstand the Greek language For each New Testament text professor David Croteau describes the popular incorrect interpretation and then carefully interprets the passage within its literary and historical context Careful attention is given to sound principles of biblical interpretation to guide readers through the process and reach a more accurate understanding of each text s meaning QR codes have been inserted at various points throughout the book By scanning the code with your mobile device you can view a video of David Croteau addressing a specific urban legend With examples from the Gospels Acts the Epistles and Revelation Urban Legends of the New Testament will not only help readers avoid missteps in these forty texts but also provide a model for engaging in correct interpretation of other New Testament passages
