**Discrimination in Metropolitan Housing Markets** Margery Austin Turner, 2003      **Custer, the Seventh Cavalry, and the Little Big Horn** Mike O'Keefe, 2012-11-20 Since the shocking news first broke in 1876 of the Seventh Cavalry's disastrous defeat at the Little Big Horn, fascination with the battle and with Lieutenant George Armstrong Custer has never ceased. Widespread interest in the subject has spawned a vast outpouring of literature which only increases with time. This two-volume bibliography of Custer literature is the first to be published in some twenty-five years and the most complete ever assembled. Drawing on years of research, Michael O'Keefe has compiled entries for roughly 3,000 books and 7,000 articles and pamphlets. Covering both nonfiction and fiction but not juvenile literature, the bibliography focuses on events beginning with Custer's tenure at West Point during the 1850s and ending with the massacre at Wounded Knee in 1890. Included within this span are Custer's experiences in the Civil War and in Texas, the 1873 Yellowstone and 1874 Black Hills expeditions, the Great Sioux War of 1876-77 and the Seventh Cavalry's pursuit of the Nez Percés in 1877. The literature on Custer, the Battle of the Little Big Horn, and the Seventh Cavalry touches the entire American saga of exploration, conflict, and settlement in the West, including virtually all Plains Indian tribes, the frontier army, railroading, mining, and trading. Hence, this bibliography will be a valuable resource for a broad audience of historians, librarians, collectors, and Custer enthusiasts.      Wyoming Don Pitcher, 2006-06-02 Each guide contains not only detailed information on the best transportation, accommodation, restaurant, and sightseeing options but also custom maps and fascinating sidebars—all the tools travelers need to make their own choices and create a travel strategy that is theirs alone.      Montana - Insider's Guides Michael McCoy, 2005-05 From the woolly wonders of the Big Montana Sheep Drive to the historic Little Bighorn Battlefield, Montana offers many choices to travelers who wish to discover Big Sky Country.      **Oversight and Authorization of the Antitrust Division, U.S. Department of Justice** United States. **Editor & Publisher Newspaper Data Book**, 2008      **American Legion Baseball** William E. Akin, 2021-12-06 In the wake of the 1919 White Sox scandal and the suspension for life of eight players, baseball saw a precipitous decline in popularity, especially among America's youth. To combat this, a group of World War I veterans who were members of the newly formed American Legion created an organization to promote teenage interest in baseball. Led by John L. Griffith, who became the first commissioner of the Big Ten Conference, the Legion undertook the revival of baseball. In the 1920s and through the Great Depression and World War II, Legion baseball grew steadily. By 1950, it had become the principal training ground for major league players, boasting at its peak more than 16,000 teams across the country. Tracing the long history of this uniquely American institution, this work details each year's American Legion World Series and the ups and downs of participation over nearly a century.      **Ernest Hemingway** Linda Wagner-Martin, 1998 Contains 25 critical responses to Hemingway's writing, from Gertrude Stein to contemporary critics, including responses to his earliest works, his style, his later
