ship he overtakes it his tentacles finding her inside What surprises her most is what the tentacles want and how much she likes it This 3100 word short story is for adults only and features double penetration bondage impregnation and hot tentacle on human action in space Excerpt Mag drew her knees into her chest forming a floating ball in the darkness If the monster was inside then the ship was breached meaning the oxygen was slowly draining out Soon she would be unconscious and then it would all be over She just had to wait Something flicked past her foot a fleeting ticklish touch then wrapped around her ankle What she expected to be cold and slimy was warm and smooth Mag tried to twist out of its grasp but the grip was firm She pulled her legs tighter against her chest closing her eyes even though she couldn't see anything in the darkness Suddenly she felt something slither over her shoulder wrapping down under her armpit and around her arm The tentacle on her ankle and the one holding her arm pulled in opposite directions straightening out her body The maneuver wasn't violent it was gentle and firm Still her heart pounded Mag expected her death to be in a ball of fire as Gwel destroyed her ship This well she didn't know what to make of this A slow torture Did the monster plan to eat her Or do something much much worse One of the lights flickered on above glowing steady for a moment before flickering into a hypnotic strobe She saw a thicker tentacle floating towards her eerily unreal in the light It was as thick as her lower arm tapering off into a point at the tip The sides were dotted with light green spots that stood out against the dark green skin It hovered for a moment in front of her face as if it was looking at her with unseen eyes Mag held her breath waiting for what would come next Slowly it reached for her face the smoothness caressing down her cheek and against her neck She closed her eyes Something about it was comforting it felt nice almost sensual From her neck the tentacle hooked into the collar of her suit and with a sudden movement ripped it cleanly from her body Mag jumped with surprise as the thick tentacle wrapped itself around her midsection the end curling over her belly

Ashcroft, 2013-01-19 This is the HOT sequel to Bred by the Jungle Plant Dr Elizabeth Morrel is pregnant after her encounter with an alien tentacle plant in the rainforest Her plans to go home and study this creature in her lab are thwarted when she goes into labor and the creature escapes Kaycee is on a spring break vacation with her boyfriend Rick in Brazil When he leaves her wanting after a dirty hike she discovers there's another creature interested in pleasuring her though she has no idea what the creature has planned for her Will she give in to naughty temptation or pass up on the adventure of a lifetime This 9 000 word story is for adults only It includes explicit descriptions of oral sex cunnilingus and blow jobs public sex female masturbation impregnation and hot breeding with an alien creature in a steamy shower Excerpt The creature didn't move and Kaycee started to wonder if maybe she was hallucinating the whole thing Maybe this whole day was some bizarre dream that was turning into a freaky nightmare She wasn't scared though As she considered moving the creature's appendages rippled and then it slid down the side into the tub the shower water pounding on it It seemed to like it spreading its body out flat so as much skin as possible was sprayed by the hot water It's appendages splayed out to each side wriggling in pleasure Kaycee realized exactly how strange it was that she was standing here in the shower watching this creature and

reached for the curtain to climb out when she noticed something out of the corner of her eye She turned back to the creature and stared in amazement as its little legs started to grow They were all squirming and twisting growing longer and thicker some growing faster than others It was bizarre as if somehow the water was empowering this creature making it grow at an alarming rate Some of the legs were growing as thick as her forearm looking like long thick tentacles She was so transfixed by the undulating appendages Kaycee didn't notice the thin one that was snaking towards her foot She was surprised when it wrapped around her ankle holding her firmly At its touch a sensation flashed through her body one of pleasure and wanting She didn't pull away didn't want to pull away Another appendage slithered towards her gently twisting around her other ankle Pleasure began pulsating from that tentacle's grasp Keywords Scifi Erotica Tentacle Erotica Monster Sex Alien Sex Oral Sex Female Masturbation Blow Job Bondage Double Penetration Pregnancy Impregnation Breeding *Taken & Bred In The Alien Junkyard* Mandy Spice, 2025-04-01 I've never been interested in alien men like so many other women I know are until I find myself stranded on a remote planet in the middle of a solar storm But meeting Junk a hot alien brute soon changes my mind especially when he strips naked in front of me revealing his huge muscular body and a whole lot more I try hard to resist his primal and savage attempts to get me naked too but I soon find myself submitting to his brutish demands Even though it's my first time and a desolate junkyard isn't the most romantic place in the galaxy I'm soon begging him to claim and breed my fertile body once and for all A very steamy standalone erotic novella with a dominant alien man fertile young woman rapid pregnancy breeding egg laying and a HEA Search Terms erotica short story erotic short story erotica novels erotica novels erotica erotica romance books romance books short sex stories erotica short stories short sex story erotic short stories erotic romance contemporary steamy story explicit ebooks alpha male domination submission alien sex stories alien pregnancy egg laying romance alien mate romance alien instant pregnancy alien breeding romance alien mate abduction romance alien smutt books alien smutt short stories alien sex short stories alien sci fi romance alien sci fi sex short stories
